Translator's Notes:

- 1) In general, formulas should always be recited with their original words/sound in order for them to have the proper effect.
  - 2) The general meaning of the first formula is "the Fa (*Fa*) rectifies (*zheng*) the Cosmos (*qian kun*); the Evil (*xie e*) is completely (*quan*) eliminated (*mie*)." The second part can also be translated as "destroying all the Evil."
  - 3) The general meaning of the second formula is "the Fa (*Fa*) rectifies (*zheng*) Heaven (*tian*) and Earth (*di*); immediate (*xian... xian*) retribution (*bao*) in this lifetime (*shi*)."
- 

**Note:** When sending forth righteous thoughts, please perform the movements as demonstrated by Master and do not perform any other movements.
