PRESS RELEASE

NEW YORK, NY-- (10/25/12) -- Spire Law Group, LLP's national home owners' lawsuit, pending in the venue where the "Banksters" control their \$43 trillion racketeering scheme (New York) – known as the largest money laundering and racketeering lawsuit in United States History and identifying \$43 trillion (\$43,000,000,000,000.00) of laundered money by the "Banksters" and their U.S. racketeering partners and joint venturers – now pinpoints the identities of the key racketeering partners of the "Banksters" located in the highest offices of government and acting for their own self-interests.

In connection with the federal lawsuit now impending in the United States District Court in Brooklyn, New York – involving, among other things, a request that the District Court enjoin all mortgage foreclosures by the Banksters nationwide, unless and until the entire \$43 trillion is repaid to a court-appointed receiver – Plaintiffs now establish the location of the \$43 trillion (\$43,000,000,000,000.00) of laundered money in a racketeering enterprise participated in by the following individuals (without limitation): Attorney General Holder acting in his individual capacity, Assistant Attorney General Tony West, the brother in law of Defendant California Attorney General Kamala Harris (both acting in their individual capacities), Jon Corzine (former New Jersey Governor), Robert Rubin (former Treasury Secretary and Bankster), Timothy Geitner, Treasury Secretary (acting in his individual capacity), Vikram Pandit (recently resigned and disgraced Chairman of the Board of Citigroup), Valerie Jarrett (a Senior White House Advisor), Anita Dunn (a former "communications director" for the Obama Administration), Robert Bauer (husband of Anita Dunn and Chief Legal Counsel for the Obama Re-election Campaign), as well as the "Banksters" themselves, and their affiliates and conduits. The lawsuit alleges serial violations of the United States Patriot Act, the Policy of Embargo Against Iran and Countries Hostile to the Foreign Policy of the United States, and the Racketeer Influenced and Corrupt Organizations Act (commonly known as the RICO statute) and other State and Federal laws.

In the District Court lawsuit, Spire Law Group, LLP -- on behalf of home owner across the Country and New York taxpayers, as well as under other taxpayer recompense laws -- has expanded its mass tort action into federal court in Brooklyn, New York, seeking to halt all foreclosures nationwide pending the return of the \$43 trillion (\$43,000,000,000.00) by the "Banksters" and their co-conspirators, seeking an audit of the Fed and audits of all the "bailout programs" by an independent receiver such as Neil Barofsky, former Inspector General of the TARP program who has stated that

none of the TARP money and other “bailout money” advanced from the Treasury has ever been repaid despite protestations to the contrary by the Defendants as well as similar protestations by President Obama and the Obama Administration both publicly on national television and more privately to the United States Congress. Because the Obama Administration has failed to pursue any of the “Banksters” criminally, and indeed is actively borrowing monies for Mr. Obama’s campaign from these same “Banksters” to finance its political aspirations, the national group of plaintiff home owners has been forced to now expand its lawsuit to include racketeering, money laundering and intentional violations of the Iranian Nations Sanctions and Embargo Act by the national banks included among the “Bankster” Defendants.

The complaint – which has now been fully served on thousands of the “Banksters and their Co-Conspirators” – makes it irrefutable that the epicenter of this laundering and racketeering enterprise has been and continues to be Wall Street and continues to involve the very “Banksters” located there who have repeatedly asked in the past to be “bailed out” and to be “bailed out” in the future.

The Havens for the money laundering schemes – and certain of the names and places of these entities – are located in such venues as Switzerland, the Isle of Man, Luxembourg, Malaysia, Cypress and entities controlled by governments adverse to the interests of the United States Sanctions and Embargo Act against Iran, and are also identified in both the United Nations and the U.S. Senate’s recent reports on international money laundering. Many of these entities have already been personally served with summons and process of the complaint during the last six months. It is now beyond dispute that, while the Obama Administration was publicly encouraging loan modifications for home owners by “Banksters”, it was privately ratifying the formation of these shell companies in violation of the United States Patriot Act, and State and Federal law. The case further alleges that through these obscure foreign companies, Bank of America, J.P. Morgan, Wells Fargo Bank, Citibank, Citigroup, One West Bank, and numerous other federally chartered banks stole trillions of dollars of home owners' and taxpayers' money during the last decade and then laundered it through offshore companies.

This District Court Complaint – maintained by Spire Law Group, LLP -- is the only lawsuit in the world listing as Defendants the Banksters, let alone serving all of such Banksters with legal process and therefore forcing them to finally answer the charges in court. Neither the Securities and Exchange Commission, nor the Federal Deposit Insurance Corporation, nor the Office of the

Attorney General, nor any State Attorney General has sued the Banksters and thereby legally chased them worldwide to recover-back the \$43 trillion (\$43,000,000,000,000.00) and other lawful damages, injunctive relief and other legal remedies.

James N. Fiedler, Managing Partner of Spire Law Group, LLP, stated: "Why did it take a private law firm to reveal the biggest secret regarding the Obama Administration, especially after the prior Bush Administration appointed a competent Democrat – Neil Barofsky – to head up the TARP program? What has the Administration done to recover back these trillions of dollars, since April, 2012 when this complaint was first filed? Why hasn't the Administration acted to investigate or fire Holder, engaged in conflicts of interest with outside lawyers while he purports at the same time to act for the public good as U.S. Attorney General? What exactly does Timothy Geitner do for a living, other than preside over the laundering and racketeering of trillions of dollars? Why has no Bankster been sued or indicted by any of the foregoing public officials, while they concurrently steal trillions of dollars and transfer them to Luxembourg? Former FDIC Chairman Shiela Bair said that the "bailout" benefitted 'solely the Banksters and all regular American citizens were left to fend for themselves.'" Spire Law Group, LLP's charter is to not allow such corruption to go unanswered."

Comments were requested from the Attorney Generals' offices in NY, CA, NV, NH , OH, MA and the White House, but no comment was provided.

I. PRELIMINARY STATEMENT

1. This lawsuit arises from, among other things: (1) the deception in inducing Plaintiffs to enter into loans and mortgages¹ from approximately 2003 through 2007 and which were acquired or are serviced by Defendants; (ii) the fraudulent and illegal use of MERS and other “camouflage entities” in connection with those loans and mortgages; (iii) Defendants’ breach of Plaintiffs’ statutorily protected rights; (iv) Defendants’ breach and willful violation of numerous consumer and homeowner protection statutes, and willful violations of unfair business practices statutes, by, among other things, processing money from unknown sources, in contravention of the Patriot Act and the Racketeer Influenced and Corrupt Organizations Act; (v) accepting money, transferring alleged assets and foreclosing upon alleged assets in instances where the alleged assets do not exist, and in which these Defendants have no right, title, or interest upon which they can act; and (vi) Defendants’ continuing conversion and other tortious conduct intended to deprive Plaintiffs of their money, property and legal rights and remedies for the foregoing acts, as described more fully below. (Hereinafter “Defendants’ Scheme.”)

II. INTRODUCTION

2. The Defendants scheme was and continues to be a gigantic international money laundering, “ponzi” and racketeering enterprise in which Defendants – and each of them as set forth herein – deceived, defrauded, stole, laundered, transferred, hypothecated (collectively “ponzi” enterprise) and then increased the level of theft by stealing from the United States of America and injecting into the ponzi enterprise a grand total (including monies stolen from all

¹ The words “mortgage” and “deed of trust” are used interchangeably throughout this Complaint.

plaintiffs) of \$43-Trillion (\$43,000,000,000,000.00) through the foregoing acts, through the acts set forth herein, and through supplemental acts continuing and ongoing as recently as the day prior to filing this complaint as follows (a) the deception in inducing Plaintiffs to enter into loans and mortgages and loan modification agreements and compromise agreements and other undertakings of any and all kinds and nature, from approximately 2003 through and including the date of this First Amended Complaint, and (b) the fabrication of documentation, charges, lawsuits, investigations and other modalities against the founders of Plaintiffs' counsel in this matter, lawyers throughout the United States, and any persons who were opposed to the theft of the entirety of at least 10X the United States of America's entire money supply (\$43 trillion), all pertaining to the ponzi and racketeering schemes and money laundering intentions by the defendants as follows:

3. To direct and then divert the attention of involuntary plaintiff the United States of America, and all plaintiffs in this case, against the stoppage of real estate foreclosures in America and other impending foreclosures nationwide, include through utilization of false records and documents, and to concomitantly divert their attention away from the facts that (a) Defendants – and each of them – had come into possession of, laundered, stolen, transferred, fraudulently conveyed, subsequently transferred, hypothecated, and secreted (collectively “stolen” or “converted”) (i) for their own personal use as set forth below and (ii) by transferring or subsequently converting the proceeds of the foregoing and other personalty into entities and persons located in jurisdictions that lack sufficient treaties with the United States of America in the total sum of more than \$43 Trillion (\$43,000,000,000,000.00), and (b) Defendants – and each of them – had as well stolen, converted and wrongfully utilized all personal financial information of each person in the United States who either has a social security number or a

driver's license (so-called persons on the "grid"), all representing (a) some 10 (ten) times the entire money supply of the United States of America, (b) substantially all the paper money the United States of America was able to print in a non-counterfeit-setting as of the dates the money was unlawfully printed and in the total sum of at least \$20 Trillion out of the entire \$43 Trillion stolen. While the defendants – and each of them – were able to hide the amounts of money and manner of the conspiratorial taking of money for individual profit and gain over the past decade due to various corrupt practices of officials acting far outside the course and scope of their employment, the public discourse is now replete with proof of the foregoing ponzi and racketeering schemes and concomitant money laundering enterprise by all Defendants (and in each case for personal gain) using entities that are Defendants herein and that also were or are fronts for drug cartels, terrorist groups or other unsourced money transferors and transferees violative of the United States Patriot Act, the Racketeer Influenced and Corrupt Organizations Act and other State and Federal laws. As of the date of this First Amended Complaint, Defendants continue to fraudulently transfer portions of the \$43 trillion to other entities that they control, including the entities set forth on Exhibit "A" hereto. An asset freeze order pending appointment of an independent receiver, is required in order to safeguard and return the assets to the United States of America, Plaintiffs and other rightful owners thereto.

4. In other words, after the deafening sadness of the 9/11 assaults against the Country, the Defendants – each entering the conspiracy because of the confusion associated with the United States' focus on Homeland Security to protect the safety of its citizens – and for personal gain at various times throughout the past decade as set forth in great detail below and as the receiver for the United States of America and State of New York shall forensically audit for the benefit of Plaintiffs and all persons "on the grid" meant to receive the protection of the State

(US and New York) – the Defendants have actually and in fact engaged in the raping, pillaging and plundering of \$43 Trillion (\$43,000,000,000,000.00) as well as other personalty including clothing, automobiles, valuable jewelry, gold, silver, precious metals and all forms of valuable personal property known to man, so that the wealth of Plaintiffs and all citizens of the United States of America, and the wealth of the United States of America itself, were stolen as set forth above and herein to the few groups of Americans who calculated and hatched the foregoing plan in directly copying the *modus operandi* associated with the historical manner in which the Vikings raided, traded, explored and ultimately settled in wide areas of Europe, Asia and the North Atlantic islands from the late 8th to the mid-11th Century. Included among the lawless activities of the Defendants has been the breaking and entering into homes of American citizens and stripping such homes of jewelry, fixtures, appliances and anything of value, without court order or approval, and with full knowledge that no court or legislative system could stop pillaging and plundering done with such speed, such detailed intention and such Viking-like efficiency. This lawsuit is necessary to avoid the looming financial crisis that shall occur as a result of the foregoing theft of \$43 trillion-plus. Indeed, former TARP Inspector General Neil Banofsky has warned that another massive bailout will again be required if the money center banks and/or their principals are deemed “too big to jail.”

5. To be specific and to assure no ambiguity, such pillage and plundering –which has transferred wealth of the United States by the sum of more than \$43 Trillion to the hands of the Defendants, and each of them -- neither George H. W. Bush nor George W. Bush (nor their subordinates) were a part of this plan, because it was hatched and implemented without their knowledge and it is undisputed that the proceeds of the plan were used to pay for the election of Barack Obama and a Democratic Congress in 2008, as well as various other state and local

officials who have then taken money personally as a part of the “Viking-like campaign” to steal all assets available to be stolen in the United States. The United States’ judicial and legislative systems have been unable to stop the world’s onslaught on the United States of America, and the executive branch of the government has made no such attempt either through nonfeasance, misfeasance or malfeasance. The United States of America and its citizens – plaintiffs herein and other victims similarly situated – require the issuance of broad injunctive relief to prevent any further theft and looting absent judicial review by **one experienced federal judge acting with full jurisdictional authority as well as with knowledge gained from (and audited by) an independent and experienced court-appointed receiver**. Such relief – which is a critical component of this lawsuit as well as the recovery of the stolen \$43 Trillion – is vital to the future survival of the United States of America, and the financial security of Plaintiffs, their Privies and those similarly situated, and to prevent a further bailout of the Banksters.

III. JURISDICTION AND VENUE:

6. This Court has jurisdiction over the claims against each of the Defendants by way of 18 U.S.C. § 1964.

7. Venue is proper in this judicial district under 18 U.S.C. § 1965, 28 U.S.C. § 1391, and 28 U.S.C. §§ 1408 and 1409(a). The injury to the business and property of the United States of America, the State of New York and Plaintiffs occurred in New York. The “loan pool” defendants and the specific Groups identified below (i) organized and directed the Illegal Scheme from, among other places, New York and from the specific New York addresses set forth below; (ii) fed the Ponzi and RICO schemes via the money laundering devices and the theft from the Fed of Trillions of Dollars (more than \$43 trillion) through bank accounts ultimately located in New York; (iii) carefully guarded all evidence of the conspiracy

set forth herein at addresses set forth herein – and that will be further adduced during discovery – in New York, New York and nowhere else most of them being situated at J.P. Morgan Chase in New York and wired there through HSBC (the wire transfer enabler) as reported in the anti-terrorism report issued by the United States Senate in July, 2012 and attached hereto as Exhibit B; (iv) drew secret kickbacks (called “skimming”) from one of thousands of bank accounts held by the numerous money-laundering, RICO defendants set forth herein for the personal benefit of those persons and their families in power who were able to manipulate the system and conduct such thefts of money. Venue is also proper in this judicial district under 18 U.S.C. § 1965(b) because, to the extent that any Defendant may reside outside of this district, the entire RICO and money laundering conspiracy depended upon Wall Street in order for it to be implemented and maintained, all master bank accounts tracking the proceeds of the \$43 trillion (\$43,000,000,000,000.00) stolen by the Defendants are located in New York city, all remaining paper evidence of the conspiracy and theft and looting of money remains in New York city, and the ends of justice require such Defendants to be brought before this Court.

8. Furthermore, this Court has jurisdiction over each of the non-domiciliary Defendants because each of them transacts business within the State of New York within the meaning of the foregoing statutes and State and Federal law, each of them committed tortious acts inside the State of New York or outside the State of New York causing injury within the State of New York within the meaning of State and Federal law; and/or the Defendants deposited the fruits of the fraud, the evidence of the Defendants’ Scheme and their ponzi and RICO enterprises, and/or the ill-gotten gains therefrom, into banks, other like-institutions and/or into hiding places including bank vaults and other secret undercrofts within locations situated in the State of New York.

9. All transactions sued upon herein were transactions occurring exclusively in interstate and then international commerce. All subsequent transfers disclosed herein (whether or not fraudulent) emanated only from the State of New York or banks and/or financial institutions (e.g., “loan pools”) which have New York as their principal place of business.

10. Venue is proper in this Court pursuant to State and Federal law, as all Defendants are either domiciled in New York city, or they regularly conduct business there and avail themselves of the benefits and protections of New York law there. Furthermore, venue is proper because all defendants agreed and co-conspired to the fraudulent transfers and subsequent transfers arising out of the tortious activity committed in the State of New York described herein.

11. Furthermore, venue is proper because involuntary plaintiff the United States of America – acting through Plaintiffs’ standing as taxpayers to move for the appointment of a receiver to forensically audit and recover-back a sum that will eliminate the Country’s deficit of \$16 Trillion and any Medicare shortfalls merely by utilizing national and international law to recover back the \$43 Trillion stolen – will be unable to reach the heart of the evidence and money without conducting daily and intensive judicial and extra-judicial discovery against Defendants, all of which assured that the fruits and evidence of their Scheme and ponzi/RICO enterprise are located physically near the supervisors thereof all of which are residents of the State of New York as set forth in detail hereof.

12. There should be no mistake: Plaintiffs allege and have direct evidence that this is a Wall Street-controlled Scheme and ponzi/RICO-enterprise, plain, simple, and . . . period. This episode of unparalleled greed and concomitant theft, could not have survived and flourished, without (a) the thousands of so-called “loan pools” which are defendants herein and operated to launder and hide the monetary, shady dealings of Defendants, and (b) the “wink and nod” from

regulators including the Obama Administration not to recover the monies from the Banksters or to prosecute them civilly or criminally, and (c) to continue to tell “the big lie” that all such stolen monies were repaid to the Treasury, as hundreds of millions of Americans saw on national television when the President himself said “the bailout monies have been repaid with interest.”

13. Because the scheme of the Defendants has been unraveled and Defendants have been caught red handed, this Court is empowered to now take action that will eliminate all woes for both Plaintiffs (on a micro-economic basis) and for involuntary plaintiff the United States of America (on a macro-economic basis). Such relief will require that the injunctive relief also include a prohibition against any further “printing” of money by federal officials absent the Congressional approval and oversight normally attendant to such multi-trillion-dollar expenditures. Plaintiffs and the United States of America merely seek compliance with State and Federal law, and through an appropriate order of this Honorable Court the Defendants – who now hold \$43 Trillion of Plaintiffs’ and the United States’ money – (a) can pay into the Court an amount necessary to assure propriety and efficacy in the appointment of a receiver and management of the recovery for the benefit of the United States of America and all citizens and (b) are ordered, barred and enjoined under the provisions of federal law set forth herein from reaping any further benefits of the “national bank settlement” which was signed through Defendants’ fraud in not disclosing any of the foregoing facts to the Plaintiffs or to any American taxpayer.

IV. THE DEFENDANTS’ THEFT OF \$43 TRILLION FROM PLAINTIFFS, THEIR PRIVIES, AND OTHERS SIMILARY SITUATED THERETO

A. Defendant Members of the Bankster Enterprise

14. The members of the Bankster Enterprise are individuals and entities – foreign and domestic – who carefully planned this “reverse-run-on-the-bank” (i.e., this theft and looting of

the assets of Plaintiffs and the assets of millions of Americans beginning after 9/11). At that time, the economy was in a shambles and the “solution” of allowing an influx of foreign money into the Wall Street economic system was discussed by the Defendants and ultimately joined in by all Defendants set forth above. The members of the Bankster Enterprise are separated in this First Amended Complaint into three groups. They are (a) The recipients of monies generated by the fraudulent ponzi/RICO scheme (“first group”), (b) enablers of monies generated by the fraudulent ponzi/RICO scheme (“second group”) and (c) payors of monies generated by the scheme (“third group”). All members of each of the three groups profited by their rolls in the scheme, skimming, misappropriation and embezzlement of monies for personal use as they officially carried on the ponzi/RICO scheme. Apart from all Defendants set forth herein, Exhibit A hereto lists subsequent transferee Defendants affiliated with all Defendants herein and which may be added as Doe defendants in the future should sufficient information exist to do so. Furthermore, the actual acts and omissions of each Defendant individually – and in conspiracy with the other Defendants – are expressly set forth in this Section IV. All Defendants set forth herein acted with full knowledge that they were and are engaged in the continuing theft, laundering, misappropriation, racketeering of trillions of dollars emanating from New York City and constituting, among other things, mail fraud, wire fraud, securities fraud and TARP fraud, tax fraud as well as violations of other State and Federal laws set forth herein. To the extent the Defendant is a governmental official, they have been named in their individual capacity and each government official named herein has directed monies of American citizens into the pockets of themselves and the other Defendants set forth herein.

15. Indeed, the Defendants were so brazen that they applied to the United States Patent and Trademark Office for thousands of patents approving detailed and complex schemes

involving the movement of money, information and assets to secret entities(whether located offshore or otherwise). These applications for “patents approving of money laundering” began shortly after the millennium,and continues to this day. The patent applications make undisputed the bad-intentions of the Defendants, because they lay out the money laundering and ponzi schemes with specificity prior to the first dollar being unlawfully taken from any of the Plaintiffs or American citizens. They do this schematically in a chart prepared for the benefit of Defendant Bank of America – and filed by Bank of America’s lawyers – with the United States Patent and Trademark Office during the last decade. Although it talks of “pawnbroker transactions,” the patent defines “pawnbroker transactions” as including mortgage securitizations. It is an outrageous and flagrant statement of Bank of America’s intention to move the money and personal financial information of hundreds of thousands of Americans overseas irrespective of whether or not it involved mortgages, securitizations, or simply thin air.

16. Each of the Defendants either filed patent applications similar to the one exhibited hereto, or they laundered money by purchasing an interest in the “general intangibles” represented by the patent application although these intangibles were and are worthless. There is no worth or value to a patent application requesting approval of a system for transferring money, yet these patent applications supported written contracts in the hundreds of dollars approving the payment of billions of dollars amongst the various Defendants and each of them. The purchase of intangibles for hundreds of millions of dollars at a time represented just one of dozens of ways that the Defendants “supported and justified” the laundering of money and supporting ponzi schemes attendant thereto. On information and belief, the Defendants and each of them are either (a) the beneficiaries of annuities provided by the Banksters pursuant to this money laundering and ponzi scheme or (b) the enablers of the offshore movement of money as expressly outlined

in the patent applications and attendant detailed money laundering schematics or (c) the payors of these annuities, skimming, misappropriating and embezzling off the top huge profits selling derivatives and other instruments supporting the very scheme that they brazenly made public during the last decade whereby they would launder, transfer, hypothecate, re-transfer, convey and fraudulently transfer the proceeds of their fraud, to wit: money and personal financial information of American citizens duped by the ponzi scheme and the fact that their entire lives (literally) were being “pawned” (in the words of one patent) internationally and without any pre-existing disclosure to Plaintiffs or other American citizens victimized by these schemes.

B. Illegal Schemes of the Bankster Enterprise

17. The schemes of the Defendants are (a) described in paragraphs 1 through 5 above and (b) expanded upon in the description below. Indeed, the Defendants were so brazen in their theft, looting and governmental corruption that they have regularly, and in conspiracy with all other Defendants, fabricated evidence and then arresting lawyers who have sued them for such theft and corruption, only to then admit on witness stands in open courtrooms across the country that there is no evidence supporting their wild theories.

18. The audacious conspiratorial schemes of the Defendants reach to the highest levels of Wall Street, Main Street and State and Federal governmental agencies. Indeed, prior to the theft of their first dollar and their first dossier of private information of the Plaintiffs and other Americans, Defendants – and each of them in conspiracy with all other Defendants -- applied to the United States Patent and Trademark Office seeking the approval of thousands of patents detailing complex schemes involving the movement of money, information and assets to secret entities(whether located offshore or otherwise). These applications for “patents approving

of money laundering” began shortly after the millennium, and continues to this day. The patent applications render it beyond dispute that the crimes, theft and corruption set forth herein were committed with malice aforethought, as the patents represented the Defendants’ blueprint for the money laundering and theft from Plaintiffs and Americans as alleged herein. A true and correct copy of one (out of thousands) of attachments to these “smoking gun” patent applications is referenced above as a schematic submitted to the United States Patent & Trademark office by Defendant Bank of America and filed by Bank of America’s lawyers with the United States Patent and Trademark Office during the last decade. Although it talks of “pawnbroker transactions,” the official patent defines “pawnbroker transactions” as including mortgage securitizations. It is an outrageous and flagrant statement of Bank of America’s intention to move the money and personal financial information of millions of Americans overseas irrespective of whether or not it involves mortgages, securitizations, or simply thin air.

19. Each of the Defendants either filed patent applications similar to the one referenced above, or they laundered money by purchasing an interest in the “general intangibles” represented by the patent applications although these intangibles were and are worthless. There is no worth or value to a patent application requesting approval of a system for transferring and laundering money and private information, yet these patent applications supported written contracts in the hundreds of millions of dollars approving the payment of billions of dollars amongst the various Defendants and each of them. The purchase of intangibles for hundreds of millions of dollars at a time represented just one of dozens of ways that the Defendants “supported and justified” the laundering of money and supporting ponzi schemes attendant thereto. On information and belief, the Defendants and each of them are either (a) the beneficiaries of annuities provided by the Banksters pursuant to this money laundering and ponzi

scheme or (b) the enablers of the offshore movement of money as expressly outlined in the patent applications and attendant detailed money laundering schematics or (c) the payors of these annuities, skimming, misappropriating and embezzling off the top huge profits selling derivatives and other instruments supporting the very scheme that they brazenly made public during the last decade whereby they would launder, transfer, hypothecate, re-transfer, convey and fraudulently transfer the proceeds of their fraud, to wit: money and personal financial information of American citizens duped by the ponzi scheme and the fact that their entire lives (literally) were being “pawned” (in the words of one patent) internationally and without any pre-existing disclosure to Plaintiffs or other American citizens victimized by these schemes.

20. There was never an instance when any of the Defendants intended to or did in fact credit a payment of money received by any Plaintiff herein against any amount due and owing under any promissory note signed by any Plaintiff. Rather, the scheme was the opposite: To take Plaintiffs’ money and personal financial information and transfer, re-transfer, fraudulently transfer, and then reconvey all of their money and personal financial information having no relationship whatsoever with any contract existing between any of the Bankster Defendants, on the one hand, and any Plaintiff, on the other hand. Absent injunctive relief by this Court, the Bankster Defendants will continue to rob, loot, and steal Plaintiffs’ assets whether through corruption and fraud (e.g., robo-signing or fabricating evidence to continue the scam) or through some other unlawful mechanism. The Executive and Legislative branches of government have paid \$43 Trillion to Defendants, without being able to slow them down in any way from the robbing and looting of America. Only through judicial intervention and injunctive relief – as outlined below – can Defendants be stopped from violating the United States Patriot Act as well as the Racketeer Influenced and Corrupt Organizations Act in their organized, pre-planned

assault upon the properties, privacy and liberty interests of Plaintiffs and other American citizens.

C. Twenty Trillion Dollars of TARP and Other U.S. Monies Laundered

21. In the course of their ponzi scheme – and as a result of world market conditions – Defendant Bankster Enterprise comprised all of the National Banking Enterprises set forth below and certain of its individuals. At that time, members of the Enterprise had – as a general rule – only one kind of asset securing the money they had advanced, to wit: Land. Like any ponzi scheme, they needed more money to operate and they did not have it ready. At this time, the Defendant National Banks – Bank of America, J.P. Morgan Chase, Citigroup, Citibank and various affiliate defendants in existence at the time – “melted down” before the world’s eyes. Public markets crashed and certain persons trading the derivatives of the scheme went out of business or were on the verge. An example of a Bankster Defendant who failed is Bear Stearns. Bankster defendants Citigroup and Merrill Lynch were insolvent at the time Bear Stearns failed. The true head of the TARP program at this time, was private Bankster Defendant Robert Rubin who acted as the Chairman of Citigroup throughout this period and was the secret mastermind behind the TARP program at its inception as well as one of many “puppeteers” of Defendant Timothy Geitner.

22. Using the foregoing as a backdrop, the Bankster Defendants approached the United States of America at various times from 2008 through the date of this filing and garnered advances of \$23 Trillion from the United States of America while concealing from it the foreign unsourced money and its owners that the Defendants were protecting. At that time, representatives of the United States of America caused the U.S.A. to advance several hundred billion dollars to these entities.

23. However, the foregoing advances were not sufficient for the Bankster Defendants because the ponzi/RICO scheme needed far more money to operate. Furthermore, the Defendants, and each of them, attempted to unlawfully profit from the turmoil while they sustained it. As a consequence several Defendants including Eric Holder, Anthony West, Robert Rubin, Timothy Geitner, Anita Dunn, Robert Bauer, and Valerie Jarrett entered the conspiracy under the following agreement with the Defendants: These individuals would cause various governmental agencies and the Fed to advance an additional \$20 Trillion to the Defendants with “a wink and a nod,” in exchange for obtaining for them and their closest friends a piece of the illegal profits of the ponzi/RICO scheme. Some of these monies were advanced under the so-called TARP programs and some of these monies were advanced *sub silentio*.

24. By April 14, 2011, staff members of the Office of the Controller and FDIC – United States of America – knew that the foregoing activities by the Defendants were unsound and unsafe. They confronted the Defendants and were met with additional newly elected government officials and reconstituted corporate heads of Bankster Defendants. Instead of repaying the \$23 Trillion owed at the time, the Defendants concealed the ponzi/RICO scheme and the money laundering enterprise and plan of the Defendants and requested additional monies in the *sub silentio* manner insisted upon by the Defendants when using the Fed as their own pocket book as was done here. At the time that he became titular Treasury Secretary, puppeteer Timothy Geitner was formerly the titular Head of the New York Fed. From April 14, 2011 until the date of this filing, on information and belief, the Defendants and each of them have (a) caused to be printed from the Fed, \$20 Trillion of U.S. dollars under cover of darkness and advanced it to Defendants and (b) skimmed, misappropriated and stole monies for themselves personally as well as their families and associates in the Obama Administration as well as the

Banksters, which were then fraudulently conveyed and money laundered through the patented schemes of the Banksters in foreign countries.²

25. As the public nationwide began to look with disbelief at this ponzi/RICO scheme and program – and its impact upon Plaintiffs and the American citizenry – Defendants made a concerted effort to trump-up charges against Plaintiffs and/or their clients. The object of the exercise was concealed and then implemented by governmental or quasi-governmental Defendants like Eric Holder, Tony West, Kamala Harris, Peter Krause, Thomas Layton, Joseph Dunn, Howard Miller, Anita Dunn, Robert Bauer, Scott Drexel (collectively the “Holder-Dunn Group”). Discovery is continuing. Plaintiffs will amend this complaint accordingly as additional corrupt members of the Holder-Dunn Group are located who have stolen money from the Fed whilst they fabricated evidence against those trying to stop them. The effect in many instances was to stifle any questioning of their actions pursuant to the racketeering plan by Defendants, and each of them (operating through the conspiracy set forth herein), including, but not limited to, conducting lawless activities, illegal searches and seizures, fabricating documents, paying off witnesses, suborning perjury, and conducting other activities pursuant to the unlawful RICO enterprise in violation of State and Federal law including, but not limited to, (a) preparing bogus governmental reports regarding the matter, (b) fabricating evidence against various adversaries nationwide, (c) working hand in hand with the Bankster Defendants – Defendants, and each of them – to continue the ponzi/RICO scheme and money laundering enterprises and (d) for their own benefit, taking money personally or directing it to private entities to control so that they too

² For purposes of this First Amended Complaint, the term “skimmed” includes misappropriating, embezzling, stealing or otherwise taking money under false pretenses and actual fraud occurring in connection with the RICO and money laundering schemes set forth herein.

could profit from the largest ponzi/RICO scheme and the largest money laundering scheme in world history. By this time, all Defendants were involved in a detailed way with the schemes described above and the involvement was active and with full knowledge of its illegality as set forth herein.

D. The Nixonian Enemies' List of the Obama Administration

26. Pursuant to the racketeering and laundering schemes set forth above, the Bankster Defendants – operating through their co-conspirators in governmental positions of law enforcement – directed the Obama Administration and parallel State Administrations who were willing to “play along” to maintain and keep current on a daily basis an “enemies list and all of their activities” so that the racketeering and laundering schemes set forth in detail above could be used with the imprimatur of “governmental oversight” through the Holder-Dunn Group and their affiliates. This has resulted in numerous cases where the Holder-Dunn Group and their affiliates – or those acting on their behalf – have admitted to extrinsic fraud, suborning perjury, attempting to fix cases, fabricating evidence and directing the use of prosecutorial governmental resources in an unequal, vindictive and selective way in which innocent people and home owners nationwide have been targeted. This is how the “robo-signing” kinds of scandals began, and is why no prosecutions of such document fabricators and forgery recidivists ever occurred. Far from being isolated as one example of unlawful conduct toward those on the enemies list, the Holder-Dunn Group has presided over the highest level of warrantless searches, seizures, wiretaps and creations of sham files and sham court filings and sham recordations and sham (so-called phantom) litigations, in the history of all United States administrations before them.

27. As of the date of filing of this First Amended Complaint, the enemies list held by the Holder-Dunn Group, their affiliates and agents and representatives – and thus subject to the foregoing illegal behavior and obstruction of justice -- have included (but are not limited to): Among others, on information and belief, including in the federal enemies list supervised by the Holder-Dunn Group as set forth above are (a) Ruppert Mudock, (b) Roger Ales, (c) Fox News Network and their affiliates, agents and those acting on their behalf, (d) active members of various faith based organizations located within the jurisdictional purview of this Court in at least Brooklyn New York; and (e) active members of various faith based organizations located elsewhere in the United States (e.g, Iowa) but damaged by the fraud, theft and racketeering enterprise of Defendants in New York set forth herein; and (d) active members of various faith based organizations that openly support the United States of America's pre-2009 stance on the unwavering support of the State of Israel and against all enemies thereof including, e.g., Iran, located in Brooklyn, New York; and (f) outspoken journalists and former agents of the Holder-Dunn Group such as (g) Neil Barofsky, (h) Shiela Bair, (i) Senator Grassley, (j) Congressman Darryl Issa, (k) Sheldon Adelson, (l) Donald Trump, (m) Steve Wynn, (n) Congressman Allen West and the Tea Party, (o) Karl Rove and his affiliated entities, (p) the Koch Bros., (q) Sean Hannity, (r) Michelle Malkin, (s) James N. Fiedler, (t) Rush Limbaugh, (q) Tucker Carlson, (r) various organizations with agendas contrary to those of the Bankster Defendants as set forth in detail above, including the Daily Caller and Judicial Council Watcher and their affiliated entities. This has devastated the Plaintiffs because the Holder-Dunn Group, et al. have diverted monies and resources due Plaintiffs and their privies away from crediting such payments against mortgage balances and loan modifications; and alternatively in favor of perpetuating the money laundering and RICO schemes set forth in this complaint.

E. The New York Genesis of the Bankster Enterprise

29. In addition to the detailed jurisdictional and venue oriented facts set forth above, the racketeering and money laundering scheme outlined in detail throughout this complaint had as its only epicenter:

i. The Initial Money

30. On information and belief, the first money utilized in connection with the criminal RICO enterprise set forth above, was laundered and additional money added thereto, from and with the full use of all resources located at the physical location of the Federal Reserve situated at 33 Liberty Street New York, NY.

ii Continual Influx of RICO Enterprise Money

31. All the monies involved or appertaining to the RICO enterprise set forth above – from and after its inception and up to and including the date of filing of this complaint – including, but not limited, terrorist money, monies to evade the Iranian Embargo Act, drug cartel money, unsourced money, and money utilized to evade taxes, was placed into or through the clearinghouse systems in New York (including the Depository Trust Corporation) located at 150 E. 52nd Street, New York, NY and multiple other locations surrounding New York including the covert location in midtown Manhattan as revealed by the New York Times on December 11, 2010.

iii. Other Locations

32. There are no other locations besides the New York venues set forth above, where the RICO and laundering schemes set forth herein were in fact conducted and implemented.

Without the New York locations set forth above – and all Defendants voluntary exposure to the benefits of the New York money center bank system, the RICO and money laundering schemes whereby \$43 trillion shall be recovered by a receiver in this action – the RICO and money laundering schemes could not have occurred. Furthermore, as set forth above, all records proving the monetary realities of the \$43 trillion money laundering enterprise are physically located in safe deposit boxes and under-carriages as set above according to proof.

F. The Misappropriating of Laundering Money for Personal Use of Banksters

i. In excess of \$590 Million Skimmed by the Tony West/Kamala Harris Syndicate

33. As the ponzi/RICO/laundrying scheme continued, it – as with all such schemes – involved a sum of money growing continually larger to support an ever-larger array and cast of criminals and characters. This allowed persons in positions of power to fall victim of the kinds of corruption existing throughout human history. Unfortunately, here, the level of corruption and concomitant theft was and continues to be unprecedented for the reasons set forth in detail above.

34. As a result thereof, a syndicate that became known as the Tony West/Kamala Harris syndicate – because of their familial relationship – took for their own personal use and the use of other Defendants who were members of the syndicate on a nationwide basis according to proof the sum of at least \$590 million (\$590,000,000.00). All Defendants in this complaint acted in conspiracy, and as agent and assign and on behalf of, each other Defendant in this complaint to protect the privacy and secrecy of this Tony West/Kamala Harris Syndicate.

ii. In excess of \$500 Million Skimmed by the Holder and George Syndicate

35. As a result thereof, a syndicate that became known as the Holder and George Syndicate – because of their business and personal relationship – took for their own personal use

and the use of other Defendants who were members of the syndicate on a nationwide basis according to proof the sum of at least \$500 million (\$500,000,000.00). All Defendants in this complaint acted in conspiracy, and as agent and assign and on behalf of, each other Defendant in this complaint to protect the privacy and secrecy of this Holder and Geroge Syndicate.

iii. In excess of \$750 Million Skimmed to Sandor Samuels & Affiliates

36. As a result thereof, a syndicate that became known as the Sandor Samuel & Affiliates syndicate – because of their business relationship – took for their own personal use and the use of other Defendants who were members of the syndicate on a nationwide basis according to proof the sum of at least \$750 million (\$750,000,000.00). All Defendants in this complaint acted in conspiracy, and as agent and assign and on behalf of, each other Defendant in this complaint to protect the privacy and secrecy of this Sandor Samuel Affiliates syndicate.

iv. In excess of \$780 Million Skimmed by Jeremy Ben-Ami, J Street & Affiliates, and Howard Dickstein (“The Dickstein Group”)

37. As a result thereof, a syndicate that became known as the Jeremy Ben-Ami, J Street & Affiliates, and Howard Dickstein (“The Dickstein Group”) – because of their business relationship and numerous controversial policy agendas – took for their own personal use and the use of other Defendants who were members of the syndicate on a nationwide basis according to proof the sum of at least \$780 million (\$780,000,000.00). All Defendants in this complaint acted in conspiracy, and as agent and assign and on behalf of, each other Defendant in this complaint to protect the privacy and secrecy of The Dickstein Group’s money grab.

v. In excess of \$120 Million Skimmed by Robert Rubin

38. As a result thereof, a syndicate that became known as being run by Robert Rubin for himself and other Defendants according to proof. Because Mr. Rubin knew of impending

disaster resulting from the RICO and money laundering enterprises set forth herein, he engaged in a personal money grab of at least \$120 million at the same time he was directing the activities of Timothy Geitner to raid the Fed and thus support the enterprise. On information and belief, puppeteer Geitner received some of this money. All Defendants in this complaint acted in conspiracy, and as agent and assign and on behalf of, each other Defendant in this complaint to protect the privacy and secrecy of The Dickstein Group's money grab.

vi. In excess of \$510 Million Skimmed by Jon Corzine Syndicate

39. As a result thereof, a syndicate that became known as the Jon Corzine Syndicate ("Corzine Syndicate") was formed in conspiracy with all Defendants for purposes of assuring that silence was purchased from all Banksters wishing to resign their positions during the largest money laundering scheme in United States history. On information and belief, one such Defendant receiving money under this Corzine-controlled syndicate is disgraced former Citigroup Chairman Defendant Vickram Pandit. On information and belief, another such Defendant receiving money under this Corzine controlled syndicate is disgraced former Bank of America Chairman Kenneth Lewis. All Defendants in this complaint acted in conspiracy, and as agent and assign and on behalf of, each other Defendant in this complaint to protect the privacy and secrecy of The Corzine money grab.

vii. In excess of \$100 Million Skimmed by Girardi-George-Rothenberg Syndicates

40. As a result thereof, a syndicate that became known as the Girardi-George-Rothenberg Syndicates ("GGR Syndicates") was formed in conspiracy with all Defendants, and with the assistance of the family of George for purposes of assuring continuing of corruption in connection with judicial proceedings nationwide. The GGR Syndicates – in connection with several different operations conducted by them – laundered and skimmed for their own use the

sum of at least \$100 million. On information and belief, Defendants Huvelle, Joseph Dunn, Thomas Layton, Howard Miller, Douglas Winthrop and/or Bill Wardlaw have participated in the skimming operations conducted by GGR Syndicates. All Defendants in this complaint acted in conspiracy, and as agent and assign and on behalf of, each other Defendant in this complaint to protect the privacy and secrecy of The GGR operations set forth herein.

viii. In excess of \$420 Billion Skimmed by the Geitner Syndicate

41. As a result thereof, a syndicate that became known as the Geitner Syndicate (“Geitner Syndicate”) was formed in conspiracy with all Defendants for purposes of assuring that use of governmental resources – as directed by others in governmental positions of ultimate power – could be used for personal gain in the total sum of \$420 billion. On information and belief, Defendants receiving money under this Geitner operation were and are Robert Rubin, Valerie Jarrett, Anita Dunn, Robert Bauer, persons resident in, or hailing from, Chicago and closely aligned with the Obama campaign. All Defendants in this complaint acted in conspiracy, and as agent and assign and on behalf of, each other Defendant in this complaint to protect the privacy and secrecy of The Geitner Syndicate.

2801. Defendant BANCAMERICA ROBERTSON STEPHENS is an entity form unknown with its principal place of business in New York, New York. This Defendant is fully subject to jurisdiction in this action pursuant to applicable law. (This Defendant shall be designated as Defendant No. 1878.)

2802. Defendants, and each of them beginning in paragraph 1068 and concluding in paragraph 2,725, are all entities of unknown form, a.) located and doing business in the State of New York, and b.) in the business of creating a negotiation trail of all Defendants' negotiable instruments and other legal paperwork (including, but not limited to promissory notes and assignments) in a way to create an appearance of propriety under the Uniform Commercial Code when in fact there is no propriety

whatsoever and these Defendants are the core of the ponzi and RICO money laundering schemes set forth in detail above. These Defendants have knowingly conspired and assisted in each and every violation of law and the ponzi, RICO and money laundering schemes set forth herein could not have occurred without them. These Defendants are collectively referred to hereinafter as "New York Loan Pools."

2803. At all times material hereto, the business of Defendants was operated through a common plan and scheme designed to conceal from Plaintiffs the material facts set forth below. Such facts were also concealed from the public and from regulators, either directly or as successors-in-interest to the business acquired from others. The concealment was completed, ratified and/or confirmed by each Defendant herein directly or as a successor-in-interest as the acquirer of an entire business, and each Defendant performed or has sought to benefit from the tortious acts set forth herein for its own monetary gain and as a part of a common plan developed and carried out with the other Defendants or as a successor-in-interest to the business that did the foregoing.

2804. Plaintiffs allege that each of the wrongful acts or omissions described below was performed either by each Defendant herein, named or unnamed, or ratified and adopted by each Defendant after its occurrence.

2805. Further, those Defendants that did not actively perform the acts or omissions described in this Complaint did affirmatively aid and abet the other Defendants in the performance of such acts of omissions, before, during or after the fact.

2806. Finally, each Defendant herein, named or unnamed, did knowingly derive some form of profit or benefit from the acts and omissions described herein.

2807. All Defendants agreed to work together in the conspiracy and/or joint enterprise described in this Complaint based upon an express agreement among all Defendants to convert plaintiffs' monies and personalty in the manner described herein. Accordingly, each Defendant, named or unnamed, should be held liable for the acts and omissions of all other Defendants with respect to the causes of action set forth below.

2808. The true names and capacities of the Defendants listed herein as DOES 2 through 1,000 are unknown to Plaintiffs who therefore sue these Defendants by such fictitious names. Upon learning the true names and capacities of the DOE Defendants, Plaintiffs shall amend this Complaint accordingly.

2809. Each of the Defendants herein, named or unnamed, was the agent of each of the other Defendants herein, named or unnamed, and thereby participated in all of the wrongdoing set forth below. Thus, each such Defendant is responsible for the acts, events and concealment of every other such Defendant as set forth below.

2810. Defendants' wrongful acts include (but are not limited to) the following: (i) claiming to be servicer of the subject notes at issue herein and demanding monthly loan payments therefor, when in fact no Defendant had or has any legal claim to the monies paid to it by Plaintiffs; (ii) taking loan payments every month from each Plaintiff without crediting any portion of that money to the benefit of any Plaintiff; (iii) promising loan modifications to Plaintiffs while never being an authorized legal representative of any person in a position to actually modify Plaintiffs' loans; (iv) inducing Plaintiffs to default on their loans so that Defendants could profit from the credit default swaps they had purchased, betting that such loans would not be paid as

agreed; (v) creating false reasons for charging fees to Plaintiffs based upon nonexistent monies owed, then instituting foreclosure proceedings against Plaintiffs when such fees went unpaid; (vi) issuing wrongful Notices of Default to Plaintiffs; (vii) by refusing to respond, in any way, to Plaintiffs' communications or to communications made for Plaintiffs by their private and public representatives; (viii) converting Plaintiffs' monies as alleged in great detail below, (ix) secreting such acts of conversion through the massive international network used by defendants to support their Ponzi scheme in violation of law.

VI. ADDITIONAL FACTS OF THE RICO, MONEY LAUNDERING AND PONZI SCHEMES

2811. This is the largest scheme in United States history where domestic banking institutions – on an international basis, involving all Defendants herein and their co-conspirators operating together in a common enterprise as set forth below – engaged in an institutional, worldwide scheme to steal, rob and convert the personal property, money and proceeds of such assets³ of each Plaintiff herein on the dates, in the sums and with the *modus operandi* set forth below.

2812. This *modus operandi* of Defendants herein includes their decade-long and systematic conversion and “Ponzi scheme” approach that damaged millions of borrowers across the United States.

2813. Defendants' elaborate scheme consisted of – and continues to consist of – numerous business designs, structures and arrangements operated by all Defendants herein. These have included enterprises of each Defendant as set forth herein, that dealt in the converted assets of tens of thousands of American homeowners –

³ To be clear, Plaintiffs make *no allegation whatsoever* that any Defendant herein – individually or in conspiracy with any other Defendant – has converted any real property.

including the Plaintiffs herein--and secretly transferred them nationally and internationally into a gigantic ongoing "Ponzi scheme."

2814. Because of the economic meltdown of 2007 and beyond, this Ponzi scheme has required the creation of more and more shell entities, and other money-raising vehicles used by Defendants herein in order to support the raising of additional money in order to continue to hide the converted assets.

2815. The entire purpose of Defendants' Ponzi/RICO scheme has been to hide the converted assets of Plaintiffs (and other victims similarly situated) deeply and entirely so that Plaintiffs and other victims become incapable of ever recovering the funds and personalty converted from them.

2816. The assets unlawfully converted and stolen by all Defendants as a part of their conspiracy, as well as instrumentalities used by all Defendants to continue the conversion and secreting of Plaintiffs' assets that are known as of the date of filing hereof, included and continue to include the following:

- a. Plaintiffs' money, as set forth below (conversion);
- b. Negotiable instruments improperly negotiated under state and federal law, as set forth below (instrumentality);
- c. Private identity information of certain Plaintiffs, as set forth below (conversion);
- d. Other private information of certain Plaintiffs taken by Defendants in violation the provisions of the United States Constitution, as alleged below (conversion);
- e. Mortgages or deeds of trust transferred secretly in violation of law, as set forth below (instrumentality);

- f. Mortgaged-backed securities used merely to shield and hide the movement of assets converted from Plaintiffs outside of the United States (instrumentality);
- g. Bond or debt securities – which Defendants began calling “hybrid” securities during the pendency of this action – used merely to perpetuate the Ponzi scheme and thus shield and hide the movement of assets converted from Plaintiffs outside of the United States (instrumentality);
- h. Money laundering of proceeds of the above-described activity, as set forth in detail below (conversion and instrumentality);
- i. Conversion and larceny where Defendants, and each of them, intended to and did in fact use Plaintiffs’ money and other converted property to perpetuate their Ponzi schemes through the use of thousands of companies internationally – funded with converted monies for the purpose of hiding the trail of conversion and secretion – involving trillions of dollars.

2817. Without Defendants’ theft of Plaintiffs’ money and other property – as alleged herein – none of the mortgage, securities, money laundering and/or Ponzi schemes described herein could have been initiated, perpetuated or maintained. The money converted from the Plaintiffs and other consumers nationwide has always been the “fuel” for the schemes alleged herein.

2818. Included in the scheme as a key instrumentality – but not the fundamental purpose of the scheme – was and is all Defendants’ intention to foreclose on the homes of homeowners, including Plaintiffs herein, with respect to promissory notes that are each void *ab initio* as a result of all Defendants’ intentional violation of state and federal laws promulgated to assure complete transparency and compliance with all

applicable laws with respect to the appropriate and lawful negotiation and transfer of such negotiable instruments.

2819. Each Defendant herein is the agent, servant, and co-conspirator of each other Defendant and all Defendants herein operated with their core *modus operandi* to steal and convert the money and valuable personal property of each Plaintiff (and thousands of other victims) and then to transfer that stolen money (and property) to (a) the other Defendants herein, and to (b) other entities in at least 30 foreign countries according to proof.

2820. In addition, Defendant BofA has admitted the involvement of co-conspirators (a) located in countries without treaties with the United States of America and (b) pursuant to instruments and prospectuses that purport to dissuade (but not expressly prohibit) the involvement of such foreign countries.

2821. Defendants, and each of them, have operated and continue to operate the largest Ponzi scheme in world history with a plan that – at its inception – was intended to, did in fact and continues to the present day to have as its object the theft and conversion of billions of dollars from millions of homeowners, including Plaintiffs.

2822. Plaintiffs became caught up in the tangled Ponzi-scheme-web of Defendants innocently under the guise of applying for a routine home loan or refinancing of an existing home mortgage loan, and have been trying to recover back their money in the sums alleged herein without success ever since. Because of Defendants' intentional and longstanding secretion of their prior and current unlawful conduct, the trail is growing cold and will ultimately be frozen absent the issuance of immediate injunctive relief as prayed for herein.

2823. Defendants have failed and refused to return Plaintiffs' money as alleged herein despite (a) Plaintiff's repeated requests, (b) Defendants' promises to return the money and property, on a consistent month-to-month basis, (c) Interventions by federal and state governments commanding Defendants to either return the money, or provide a transparent plan identifying systems through which money and property could be identified, located and legitimately returned or otherwise accounted for.

2824. The foregoing *modus operandi* of all Defendants herein – acting in concert with each other and for the common goal of both stealing Plaintiff's money and then hiding any documentary proof thereof – began in 2003.

2825. At that time, each Defendant (or their predecessors) adopted a calculated business strategy that transferred ownership of the promissory notes executed by home loan borrowers to persons that were not entitled to receive negotiation thereof under applicable law, and knew it but joined the conspiracy for purposes that amounted to greed. Such conspiracy has continued to the date of filing hereof, but all Defendants with knowledge and malice aforethought.

2826. Defendant Countrywide and its various affiliates were among the leading providers of mortgages in California during all times relevant to this Complaint. By 2005, Countrywide was the largest U.S. mortgage lender in the United States, originating over \$490 billion in mortgage loans in 2005, over \$450 billion in 2006, and over \$408 billion in 2007.

2827. The other Defendants (or their predecessors in interest, such as WAMU and Wachovia) are the other largest home loan mortgage lenders in the United States, and were all involved in the conspiracy described herein.

2828. The *modus operandi* of the various Defendants was to use the numerous methodologies set forth in this Complaint to convert money and property from consumers after the origination of their loan. By 2007, this *modus operandi* had evolved into a massive international Ponzi scheme relying upon foreign investor sources to secure and pay off money injected into the systems of the Defendants by prior lending sources and by Defendants' prior theft of borrower money (including Plaintiffs').

2829. As of the end of 2007, Defendants had no definitive and reliable knowledge regarding which foreign entity or entities in fact "owned" – as that term is defined under Article 3 of the Uniform Commercial Code -- any promissory note secured by any deeds of trust or mortgages securing Plaintiffs' real properties.

2830. Consequently, some of the largest offenders—Countrywide, WAMU, and Wachovia--became hopelessly insolvent and was literally forced by federal regulators to commence negotiations with various large bank to effectuate mergers designed to "clean up" these international Ponzi and conversion schemes.

2831. In 2007, Defendant BofA commenced negotiations to acquire Countrywide. By late 2007, BofA began merging its operations with Countrywide and adopting some of Countrywide's practices.

2832. WAMU was one of the largest residential mortgage lenders in the United States. However, its predatory lending practices caused it to fail. In September 2008, Chase purchased the assets and liabilities of WAMU for approximately \$1.9 billion and began merging it into its operations into Chase by adopting some of its practices.

2833. In 2008, Wachovia was the fourth-largest bank holding company in the United States. However, Wachovia began to fail due to its lending practices, including those described herein. In December 2008, Wells Fargo acquired the assets of Wachovia in order to prevent it from failing, and spent nearly three years merging its operations into Wells Fargo, including adopting some of its practices.

2834. All of the Defendants have taken steps to continue the Ponzi/RICO scheme described herein. Specifically, they have continued to pool mortgage notes into pools for purposes of selling them as so-called mortgage-backed securities, thereby forever severing the promissory notes from the mortgages that secure them.

2835. The Defendants have also acted to foreclose upon homes owned by the Plaintiffs and other individuals by collecting payment in full through a device called a mortgage default swap (“MDS”), whereby the defaulted mortgage would be replaced with a new one. The original lender had already been paid when it transferred the promissory note, so there was no loss to the lender. These lenders foreclose anyway, meaning that they are being paid more than once for the same loan, leading to windfall profits when they sell the properties that they seize through foreclosure.

2836. The fraud perpetrated by the Defendants was willful and pervasive. It began with simple greed and then accelerated when the lenders discovered that they could not sustain their business, unless they (a) used their size and large market share to systematically create false and inflated property appraisals throughout the United States and with respect to each Plaintiff herein and (b) used their network of companies to convert money from unsuspecting borrowers in the United States,

including Plaintiffs, who had good reason at the time to rely upon these fraudulent appraisals and concealment of their intentional, illegal activities.

2837. The Defendants then used these false property valuations, their resulting conversion of monies, and their ongoing Ponzi scheme to finance an operation of agents, including all Defendants and other parties, in order to induce the Plaintiffs and other borrowers into signing documents purportedly confirming ever-larger “refinancing” of their existing mortgages, or to execute promissory notes so that the Defendants could later convert more money and property from them.

2838. The Defendants either knew, or should have known, no later than 2004, that these loans were unsustainable for the lenders and the borrowers and to a certainty either knew or should have known that their fraudulent activity would result in a crash that would consume the equity invested by the Plaintiffs and all other borrowers.

2839. The Defendants either knew, or should have known, no later than 2004, that the foregoing misconduct would result in their ability to convert monies from Plaintiffs (and thousands of other homeowners) subsequent to their pooling of these promissory notes as mortgage-backed securities (“MBS”) that would be sold on the open market to various institutional investors for inflated values.

2840. This system led to the Defendants making multiple sales of the same promissory notes to multiple MBS pools. These multiple sales of the same promissory notes to multiple buyers do not create ownership of such negotiable instrument under Article 3 of the Uniform Commercial Code.

2841. The plan to pool these loans into MBS offerings grew into a brazen plan to disregard underwriting standards and fraudulently inflate property values – county-

by-county, city-by-city, person-by-person – in order to take business from legitimate mortgage-providers, and developed into a massive securities fraud that depended on the concealment from and deception of the Plaintiffs as to the true nature of these transactions on an unprecedented scale. In this way, the Defendants would be able to convert money from the Plaintiffs without such Plaintiffs having any idea or knowledge of the dirty and unlawful plot at the time it was being implemented.

2842. As early as 2004, the Defendants either knew or should have known that this scheme would cause a liquidity crisis that would devastate the Plaintiffs' home values and net worth.

2843. The Defendants did not care, because their plan was based on insider trading – pumping for as long as they could and then dumping before the truth came out and the theft and conversion of money and assets from Plaintiffs as well as the general public were locked in.

2844. Couched in banking and securities jargon, the deceptive gamble with consumers' primary assets – their homes – was nothing more than a financial theft and concurrent Ponzi scheme perpetrated by Defendants and their co-conspirators on a scale never before seen.

2845. This scheme led directly to a nationwide mortgage meltdown that was substantially worse than any economic problems facing the rest of the United States, thereby causing the failure of numerous lenders.

2846. From 2008 to the present, Americans' home values decreased substantially as a direct and proximate result of the Defendants' scheme set forth herein, leaving a large percentage of homeowners "upside down", meaning that they owe more on their

home mortgage loans than their homes are worth. In some instances, those homes are so far upside down that it could take a decade or more for the homeowners to regain a positive position with respect to the value of their homes.

2847. This massive fraudulent scheme was a disaster both foreseen by the Defendants as well as waiting to happen. Defendants knew it, and further knew that the taxpayer money would bail out those lenders deemed too big to fail.

2848. The lenders involved – Defendants herein – embarked on a plan and scheme to use the good faith of taxpayer money and the country’s trust and confidence in the big banks that acquired Countrywide, WAMU, and Wachovia to (a) further hide their nefarious conversion scheme, (b) engage in additional acts of conversion and secreting of the knowledge thereof and (c) use new laws and initiatives as a basis to induce unsuspecting homeowners to fall further victim to their ongoing expansion of the foregoing scheme throughout the world.

2849. As a result, the Plaintiffs lost money and any ability to actually pay off their promissory notes, their credit ratings and histories were damaged or destroyed, and they also incurred material other costs and expenses, all as described herein.

2850. At the same time, Defendants converted from Plaintiffs and other borrowers across the country billions of dollars in interest payments and fees and generated billions of dollars in profits by vastly expanding the scheme previously unique to just a few predatory lenders such as Countrywide and now subject to the power of (a) a new, larger and more credible parents, such as BofA, Chase, and Wells Fargo and (b) the influx of new dollars in the form of taxpayer money and increased investment by

investors knowledgeable of the Ponzi scheme to such an extent that they were co-conspirators in it.

2851. The Defendants then began to use their customers' most private information to maximize their illegal gains, ranging from the disclosure of the most private and confidential information of more than 2.4 million customers, to the outsourcing and sale of hundreds of thousands of records to bolster their fraudulent scheme, disenfranchising citizens of their constitutional inalienable right of privacy.

2852. When the Defendants pooled the loans they originated and sold in MBS secondary mortgage market transactions, those lenders recorded gains on the sales. In 2005, Countrywide reported \$451.6 million in pre-tax earnings from capital market sales; in 2006, it recognized \$553.5 million in pre-tax earnings from that activity.

2853. However, after the liquidity crisis hit, in 2007 it recognized a mere \$14.9 million in pre-tax earnings from that activity and reported an overall pre-tax loss.

2854. In addition, there is a lot of confusion, even among the mortgage companies, as to the ownership history of many mortgage loans. In the mad rush to convert home mortgages into securities to be bought and sold on Wall Street, investors did not want to spend the time or money necessary to keep track of ownership by filing papers in local recording offices.

2855. Investors by-passed the traditional systems and replaced them with the MERS system, which is not only inherently unreliable and unverifiable, it also remains outside the public eye.

2856. As a result, it is no longer possible for most Americans to go to their local courthouse and look at property records to find out who the owner of their mortgage currently is.

2857. To make matters worse, the Defendants established their concealment network now alleged entity-by-entity in this complaint, and this network has made it impossible to track the negotiation techniques and rights to possession of promissory notes, which are not publicly recordable.

2858. The illegal and improper acts of the Defendants have continued, including, *inter alia*: (i) engaging in the practice of “robo-signing,” whereby the lenders used people who had no personal knowledge to sign fraudulent and perjured affidavits that indicated that they had personal knowledge of those matters in an effort to deprive homeowners of their property without due process of law; (ii) refusing to modify loans; and (iii) refusing to entertain short sale opportunities, all with the intention to (a) buy time to further conceal previous conversions and/or (b) convert additional monies from the Plaintiffs in a sum according to proof.

2859. Many of the Plaintiffs were told not to make mortgage payments and/or to sign letters authored by agents of Defendants, exacerbating a desperate financial situation that was either untrue or inflated at Defendants’ insistence. This was all done in order to buy time for Defendants to further secret the conversion of funds practiced against the Plaintiffs and to support other conversions of monies that Defendants were bent on practicing.

2860. Defendants have gone to great lengths to avoid identifying the location of monies and property converted by them from Plaintiffs. The gigantic network of Defendants

and their co-conspirators—companies formed in countries such as the Cayman Islands, Luxembourg, Gibraltar and Chile for the purpose of hiding assets and laundering money—has been, and continues to be, used to systematically hide and ultimately destroy the evidence revealing the method of conversion used and the location of the money and personalty converted by Defendants.

2861. By these tactics, systems, and delays, Defendants intend to and are in fact buying time as they (a) accept the benefits of the Ponzi scheme and conversion activities described herein, (b) cover up their historical conversion and Ponzi scheme, and (c) make it materially more expensive and difficult for the Plaintiffs to locate their stolen assets and gain recompense.

2862. Defendants herein include some of our leading financial institutions – institutions upon which the Plaintiffs thought they could rely, and did in fact rely upon. However, their reliance was misplaced. As is clear from the mounting number of federal and state enforcement actions against Defendants, it is now widely recognized that they have committed numerous illegal acts in the process of operating their mortgage businesses. BofA alone has been sued for trillions of dollars as a result of its involvement in these activities.

2863. These acts remain ongoing, and continue to threaten the Plaintiffs’ constitutional rights and financial security, as well as the economic future of the United States of America.

2864. The Defendants either knew or should have known that the scale of the lending – based on inflated property values, without income verification and in violation of numerous other underwriting guidelines – would lead to widespread declines in

property values, thereby placing Plaintiffs and others into *extremis* through which they would lose the equity invested in their homes and have no means of refinancing or selling, other than at a complete loss.

2865. That is precisely what happened to the Plaintiffs herein after Defendants converted their money and the equity in their homes, but before Plaintiffs could have possibly realized the ultimate purpose of the Defendants' scam.

2866. While the following quotation, taken from a regulatory report, refers specifically to Countrywide, which was portrayed as a prudent, quality lender, it also applies to the business practices of all Defendants. "But the real Countrywide was very different. We allege it was a company that underwrote loans in a manner that layered risk factor upon risk factor, such as reduced documentation . . . [a]lso concealed from investors were concerns voiced by Countrywide's own Chief Credit Risk Officer, who warned that this 'supermarket' strategy reduced Countrywide's underwriting guidelines to a 'composite of the riskiest products being offered by all of their competitors combined.'"

2867. The Defendants held themselves out as makers of prime quality mortgage loans, but instead hid the fact that they, in an effort to increase their respective market shares, engaged in an "unprecedented expansion of its underwriting guidelines from 2005 and into 2007." Specifically, the Defendants developed what was referred to as a "supermarket" strategy, where they attempted to offer any product that was or might be offered by any competitor.

2868. By the end of 2006, Defendants' underwriting guidelines were as wide as they had ever been, and they were writing riskier and riskier loans. Even these expansive

underwriting guidelines were not sufficient to support their desired growth, so the lenders wrote an increasing number of loans as “exceptions” that failed to meet their already wide underwriting guidelines even though exception loans had a higher rate of default.

2869. The covert scheme of the Defendants was, like all such schemes based on deception, ultimately unsustainable. The Defendants relied upon their sales of mortgages into the secondary market through MBS instruments as an important source of revenue and liquidity.

2870. The Defendants not only covered up the poor quality of their loans and the liquidity crisis they created, they intentionally misrepresented to the public, in statements and in public filings, the nature of those loans in an effort to further defraud the public into continuing to borrow money and put their assets at risk.

2871. The Defendants’ scheme eventually collapsed under its own weight, precipitating an economic crisis of unprecedented proportions.

2872. As defaults on these poorly underwritten loans increased, Defendants used the opportunity presented by the rising number of defaults to increase their fees and further convert other funds from Plaintiffs and other borrowers.

2873. To add insult to injury, as the number of defaults rapidly rose, the Defendants added unreasonable additional fees to the mortgages of homeowners who were desperately trying to save their homes, thereby boosting their profits at the expense of those who could least afford to bear that burden.

2874. Defendants did the foregoing with the intent to convert funds from the Plaintiffs and other members of the public. The Plaintiffs did not know the massive scheme that

the Defendants had devised and never knew until it was far too late to prevent the massive network being used across the globe to hide the trail of converted money and property.

2875. As a proximate and foreseeable result of the Defendants' sale of the promissory notes pertaining to the properties of the Plaintiffs and others similarly situated for more than the actual value of such instruments, the MBS securitization pools lacked the cash flow necessary to maintain them in accordance with the terms of their indentures. The unraveling of Defendants' scheme has materially depressed the price of real estate throughout the country, including the real estate owned by the Plaintiffs, resulting in the losses to the Plaintiffs described herein. The conversion of Plaintiffs' money by Defendants – and each of them operating through their RICO scheme – has materially injured the tangible net worths of Plaintiffs and the Treasury of the United States of America.

2876. The Defendants have made use of wholly or partially owned foreign companies in an effort to continue to hide and to misrepresent the ownership of the promissory notes executed by the borrowers, including the Plaintiffs, who borrowed funds from them.

2877. BofA, Chase, and Wells Fargo have ratified the bad acts of WAMU, Countrywide, and Wachovia, by intentionally making use of foreign companies to frustrate the Plaintiffs and other borrowers seeking information about their lost money, mortgages and loan modifications. All Defendants have joined in this conspiracy – indeed most Defendants were formed for purposes associated with the money laundering, ponzi and RICO enterprises set forth herein. All Defendants have

acted in conspiracy with one another appertaining to each and every act set forth in this complaint.

FIRST CLAIM FOR RELIEF

Conversion

(By Plaintiffs 1-310 and 838 against all Defendants; and by Plaintiffs 311-352, 354-673 against all Defendants except 1-4; and by Plaintiff 353 against all Defendants except 1-6; and by Plaintiffs 674-732, 734-803 against all Defendants except 5, 6; and by Plaintiffs 733 against all Defendants except 1-6; and by Plaintiffs 804-837 against all Defendants except 16, 17)

2878. All of the above Paragraphs of this Complaint are hereby incorporated by reference as though fully set forth herein.

2879. All Defendants have demanded and received payments from the Plaintiffs based upon the claim of these Defendants that such monies are owed on the loans and promissory notes at issue herein.

2880. These Defendants have further demanded and received from Plaintiffs payments, imbursements for late charges, penalty fees, and trial loan modification payments.

2881. In truth, on information and belief, these Defendants had and have no legal right to be demanding such payments from Plaintiffs for any loans or promissory notes or loan modifications at issue herein because these Defendants are not holders or owners of the promissory notes in question and they no longer know who is.

2882. Further, Defendants are not the authorized representative or agent for the holders or owners of the promissory notes in question.

2883. In truth, the monies collected from the Plaintiffs by these Defendants was not credited for the benefit of the individual Plaintiffs involved, in that it was not used to

pay down that Plaintiff's (or any Plaintiff's) principal and/or interest purportedly due on his or her promissory note.

2884. Thus, in taking monies from Plaintiffs as described above, these Defendants are liable to Plaintiffs herein for conversion, i.e., the act of dominion wrongfully exerted over another person's personal property. In taking the money from Plaintiffs as described above, Defendants converted between \$35,000 and \$70,000 per Plaintiff over the course of their business dealings with Defendants. Defendants had no right to these funds and engaged in money laundering both domestically and internationally in order to hide the theft, larceny and conversion set forth herein. It is impossible for Plaintiffs to know with certainty the exact amount of funds converted because Defendants have provided inconsistent, varying and false accounts of the monies they have received from Plaintiffs herein.

2885. These claims of conversion are based upon the facts that a) each Plaintiff had ownership and the right to possession of the monies taken from him by these Defendants as described above; b) these Defendants acted wrongfully by receiving such money under the guise that the Defendants were entitled to the money, when in fact they were and are not entitled to any such payment; c) no money collected by these Defendants from these Plaintiffs was credited to the benefit of the individual Plaintiff involved for the pay down of any principal or interest purportedly due on that Plaintiff's note; and d) each Plaintiff suffered general and special damages, including loss of the money that was taken from them by these Defendants through this subterfuge, according to proof.

2886. These Defendants also committed conversion as against each Plaintiff by converting equity that previously existed in each Plaintiff's home – in sums according to proof – by surcharging against that equity various false “reserves” in the form of “insurance” or “tax” or “general” reserve imbursements, which were then recorded as debts against the property of the individual Plaintiff involved.

2887. Just as banks are liable to a customer and must credit his account for conversion when banks pay on a forged indorsement of a commercial instrument, so too are these Defendants liable for these false surcharges improperly charged against a Plaintiff's account.

2888. As a direct and proximate result of the conversion committed by the Defendants, each Plaintiff suffered general and special damages according to proof.

2889. Each Plaintiff is further entitled to restitution of those amounts wrongfully converted from him or her.

2890. These Defendants willfully committed the wrongdoing against each Plaintiff as described herein and knowingly chose to deceive him or her in the above-described manner. Thus, the acts of these Defendants were malicious and performed with a callous disregard for Plaintiffs' legal rights. Plaintiffs are therefore entitled to punitive damages. Plaintiffs are further entitled to attorney fees under whatever contract or statute applies.

2891. All Defendants have converted and stolen – in the manner, using the means of interstate commerce as set forth herein – the sum of at least between \$40,000.00 and \$60,000.00, from each Plaintiff herein.

2892. In no event has any Plaintiff herein suffered damages greater than \$75,000.00.

SECOND CLAIM FOR RELIEF

Conspiracy to Commit Conversion

(By Plaintiffs 1-310 and 838 against all Defendants; and by Plaintiffs 311-352, 354-673 against all Defendants except 1-4; and by Plaintiff 353 against all Defendants except 1-6; and by Plaintiffs 674-732, 734-803 against all Defendants except 5, 6; and by Plaintiffs 733 against all Defendants except 1-6; and by Plaintiffs 804-837 against all Defendants except 16, 17)

2893. All of the above Paragraphs of this Complaint are hereby incorporated by reference as though fully set forth herein.

2894. Plaintiffs allege that each of the wrongful acts or omissions described in the First Cause of Action for Conversion above was either performed by each Defendant herein, named or unnamed, or ratified and adopted by each Defendant after its occurrence.

2895. Further, those Defendants that did not actively perform the acts or omissions described here did affirmatively aid and abet the other Defendants in the performance of such acts or omissions, either before, during, or after the fact in the form of concealment and secretion activities worldwide. Such activities represent additional acts of conversion under law.

2896. Finally, each Defendant herein, named or unnamed, did knowingly derive some form of profit or benefit from the acts and omissions described herein. All Defendants agreed to work together in the conspiracy and/or joint enterprise described in this Cause of Action as set forth herein. Accordingly, each Defendant, named or unnamed, should be held liable for conspiracy to commit the conversion as alleged in the First Cause of Action.

2897. The Plaintiffs are entitled to the damages as alleged and described in the First Cause of Action – and as alleged above – as a direct and proximate result of this conspiracy of all Defendants to commit repeated and serial acts of conversion against these Plaintiffs as described herein.

2898. These Defendants willfully committed the wrongdoing against each Plaintiff as described herein and knowingly chose to deceive him in the above-described manner. Thus, the acts of these Defendants were malicious and performed with a callous disregard for Plaintiffs' legal rights. Plaintiffs are therefore entitled to punitive damages.

2899. In no event has any Plaintiff herein suffered damages greater than \$75,000.00.

THIRD CLAIM FOR RELIEF

Intentional Misrepresentation

(By Plaintiffs 1-310 and 838 against all Defendants; and by Plaintiffs 311-352, 354-673 against all Defendants except 1-4; and by Plaintiff 353 against all Defendants except 1-6; and by Plaintiffs 674-732, 734-803 against all Defendants except 5, 6; and by Plaintiffs 733 against all Defendants except 1-6; and by Plaintiffs 804-837 against all Defendants except 16, 17)

2900. All of the above Paragraphs of this Complaint are hereby incorporated by reference as though fully set forth herein.

2901. The Defendants intentionally misrepresented to the Plaintiffs and to the consuming public in general their intentions regarding the reasonableness and appropriateness of their underwriting procedures in making mortgage loans to the Plaintiffs, and also materially misrepresented to the consuming public that they were not making quality loans when they told the consuming public that they were only making quality, prime home loans.

2902. The Defendants intentionally misrepresented to the public at large the status of their liquidity and the quality of the loans that they were making.

2903. Those Defendants further intentionally misrepresented to the Plaintiffs that they would not use or otherwise impose unreasonable or unfair charges against the Plaintiffs and the rest of the consuming public, but they failed to do so.

2904. The campaign of concealment, misinformation and partial information described in this Cause of Action as well as in the rest of this Complaint was intended to be repeated and also to be broadly disseminated through the media, analyst reports and individual communications, and it was.

2905. It was intended to become part of the well-understood “givens” among homeowners and prospective homeowners seeking mortgages, and it did so become part of the lexicon of homeownership and mortgage choices.

2906. These Plaintiffs relied upon the misrepresentations and entered into mortgages with the Defendants.

2907. All of said intentional misrepresentations and omissions were made by the Defendants with the intent to induce the consuming public, including the Plaintiffs, to enter into mortgage loan transactions that would deprive them of the equity in their homes.

2908. By reason of the prominence of the Defendants and their campaign of deception as to their business plans and the relationship of trust developed between each of the Defendants and the Plaintiffs, Plaintiffs were justified in relying upon Defendants’ representations.

2909. At all times pertinent, the Plaintiffs in fact reasonably relied upon the representations made by the Defendants that they would use reasonable and rational underwriting guidelines in making mortgage loans to the consuming public and entered into mortgage loan contracts with the Defendants, all to their injury and detriment.

2910. In fact, the appraisals were inflated. The Defendants did not utilize appropriate underwriting processes. The financial condition of the various Defendants was not sound, but rather was a house of cards ready to collapse. Further, Plaintiffs' mortgages were not refinanced with fixed rate mortgages as they were told they would be, and the Defendants never intended that they would be.

2911. As a result of Defendants' scheme described herein, these Plaintiffs could not afford their adjustable rate mortgages when their variable rate features and/or balloon payments kicked in.

2912. Further, and as a result of the nefarious scheme of the Defendants, the Plaintiffs could not refinance or sell their residences without suffering a loss of their equity investments.

2913. As a result of the foregoing acts of conversion and fraud, the Plaintiffs have lost all or a substantial portion of the equity invested in their houses and suffered reduced credit ratings and increased borrowing costs, among other damages described herein.

2914. As a result of the Defendants' misconduct alleged above, all negotiable instruments appertaining or relating to Plaintiffs – whether or not an original or any copy thereof is held by Defendants or any of their co-conspirators in their money laundering schemes – may be declared to be *void ab initio* as determined by the trier

of fact. In the event of such a finding by the trier of fact – that these negotiable instruments are *void ab initio* – leads to a recovery for any Plaintiff, along with all damages awarded herein, of a sum total of more than \$75,000.00, each Plaintiff generally and specifically waives, gives up, and disavows any such recovery in excess of \$75,000.00. Nothing set forth herein, however, should be construed to infer that Plaintiffs agree to deprive the trier of fact of the right to adjudicate whether negotiable instruments pertaining to them were or were not *void ab initio*, as such a determination will impact the predicate conduct required for an award of punitive damages and may impact other areas of Plaintiffs' case such that they are not required to, and do not, in fact, agree to allow such critical issue to avoid scrutiny by the trier of fact in this case.

2915. These Plaintiffs are further entitled to punitive damages in order to punish these Defendants for their malicious, oppressive and willful conduct as described.

2916. Inclusive of all compensatory damages, special damages, attorney fees and punitive damages alleged herein, each Plaintiff has sustained damage in a sum of not greater than \$75,000.00.

FOURTH CLAIM FOR RELIEF

Intentional Misrepresentation

(By Plaintiffs 1-310 and 838 against all Defendants; and by Plaintiffs 311-352, 354-673 against all Defendants except 1-4; and by Plaintiff 353 against all Defendants except 1-6; and by Plaintiffs 674-732, 734-803 against all Defendants except 5, 6; and by Plaintiffs 733 against all Defendants except 1-6; and by Plaintiffs 804-837 against all Defendants except 16, 17)

2917. All of the above Paragraphs of this Complaint are hereby incorporated by reference as though fully set forth herein.

2918. In addition to the numerous acts of fraud described above, the Defendants represented to multiple Plaintiffs and to the consuming public in general that the Defendants would assist them in accomplishing a loan modification. As described herein, those representations were false.

2919. Defendants knew that their representations regarding their willingness to enter into loan modification agreements were false when they made them.

2920. Because of new laws pertaining to loan modifications combined with the insistence of the Defendants that they had a genuine interest in complying therewith and in keeping borrowers in their homes, the Plaintiffs reasonably relied on these materially false misrepresentations made by the Defendants.

2921. By delaying the Plaintiffs from pursuing their rights and by increasing the costs of the Plaintiffs combined with the continuing erosion of each Plaintiff's credit rating, each Plaintiff's reliance harmed that particular Plaintiff.

2922. The Plaintiffs' reliance on the representations made by the Defendants was a substantial factor in causing harm to them.

2923. Without limiting the damages as described elsewhere in this Complaint, the damages of the Plaintiffs arising from the matters complained of in this Cause of Action also include the loss of equity in their houses, costs and expenses related to protecting themselves, reduced credit scores, unavailability of credit, increased costs of credit, reduced availability of goods and services tied to credit ratings, increased costs of those services, as well as fees and costs, including, without limitation, attorney fees and costs.

2924. The Plaintiffs are entitled to recover general and special damages directly and proximately resulting from the Defendants' intentional deceit and misrepresentations.

2925. These Plaintiffs are further entitled to punitive damages in order to punish these Defendants for their malicious, oppressive and willful conduct as herein described.

2926. Inclusive of all compensatory damages, special damages, attorney fees and punitive damages alleged herein, each Plaintiff has sustained damage in a sum of not greater than \$75,000.00.

FIFTH CLAIM FOR RELIEF

Fraudulent Concealment

(By Plaintiffs 1-310 and 838 against all Defendants; and by Plaintiffs 311-352, 354-673 against all Defendants except 1-4; and by Plaintiff 353 against all Defendants except 1-6; and by Plaintiffs 674-732, 734-803 against all Defendants except 5, 6; and by Plaintiffs 733 against all Defendants except 1-6; and by Plaintiffs 804-837 against all Defendants except 16, 17)

2927. All of the above Paragraphs of this Complaint are hereby incorporated by reference as though fully set forth herein.

2928. Defendants have offered to help the Plaintiffs with obtaining "loan modifications" while concealing from these Plaintiffs the fact that, upon information and belief, these Defendants are not the rightful owners and/or holders of the subject promissory note associated with their mortgages.

2929. The Defendants have also failed to disclose that they are not the legal representatives or agents of such persons, and they have further failed to disclose that the Defendants' entire motivation and purpose in doing so has been, and continues to be, the conversion of Plaintiffs' monies and the taking of their homes in violation of law.

2930. Thus, these Defendants are legally incapable to be able to enter into loan modifications with any Plaintiff.

2931. Despite that fact, the Defendants have had and continue to have a vested interest in “offering loan modifications” to borrowers, including the Plaintiffs, because they can make a profit from continuing to cover up the industry-wide scheme alleged above and to create an environment where they can commit additional acts of fraud and conversion.

2932. In fraudulently offering loan modifications to Plaintiffs, the Defendants have convinced Plaintiffs that loan modifications will only be given to those borrowers that are delinquent on their loans and/or in default.

2933. The Defendants have made these statements on an industry-wide basis in order to permit them to continue their scheme of obtaining monies and properties from Plaintiffs wrongfully and in violation of law.

2934. In reliance upon these materially false representations, and in the belief that they would be able to obtain loan modifications if they followed these false and misleading instructions, Plaintiffs have permitted their loans to go delinquent and/or into default, believing this step to be a requisite of the loan modification process.

2935. At all times relevant, the Defendants possessed superior knowledge to that of the Plaintiffs, and further had access to material facts that were not accessible to the Plaintiffs regarding their nefarious scheme to induce the Plaintiffs to permit their mortgages to go into default in the hope of obtaining loan modification.

2936. At all times relevant, Defendants had an affirmative duty to disclose to the Plaintiffs that Defendants had no legal authority to offer loan modifications.

2937. However, the Defendants have hidden and suppressed the fact that they do not own the subject promissory notes and hence have no legal or contractual authority to offer such loan modifications.

2938. The Defendants also had an affirmative duty to disclose to the Plaintiffs that Plaintiffs did not have to be in default on their loans in order to qualify for loan modifications.

2939. Defendants have induced the Plaintiffs into allowing their loans to go into default by telling Plaintiffs it was a requirement for becoming eligible for a loan modification

2940. In truth, under applicable law in effect since 2009, a borrower is *not* required to be delinquent and/or in default with his loan in order to be eligible for a loan modification.

2941. Defendants have only claimed that borrowers must be in default, in violation of law, because Defendants can realize more profit and commit more acts of conversion when a borrower is actually in default, i.e., at least 90 days behind in his loan payment

2942. After Defendants profited by their deceit and concealment, they then continued demanding and collecting monies from Plaintiffs, constituting outright conversion.

2943. The fact that these Plaintiffs did *not* need to be delinquent on their loans and/or in default in order to qualify for loan modifications has been hidden and suppressed from these Plaintiffs by Defendants and continues to be hidden.

2944. The Defendants should have disclosed these suppressed facts to the Plaintiffs because they were material to the cost-benefit analysis that should have and could have been undertaken by each Plaintiff.

2945. Had the true facts been disclosed to the Plaintiffs, knowledge of those material facts likely have caused each Plaintiff (a) to act differently than he or she did while not knowing the facts hidden from him by Defendants, and (b) to protect himself or herself by not preventing his or her funds from being converted by Defendants.

2946. The Defendants knew these suppressed facts and further knew at the time of their suppression, that such suppression and concealment would cause each Plaintiff to act in a way that was injurious to him or her while at the same time being profitable to Defendants.

2947. When suppressing and concealing from the Plaintiffs these material facts as herein alleged, Defendants intended to induce each such Plaintiff to alter his or her position to his or her harm.

2948. Each Plaintiff justifiably and reasonably relied on the fraudulent concealment created by these Defendants in their suppression and concealment of the material facts described above.

2949. Once a Plaintiff became delinquent in his or her loan payments, Defendants then acted to ensure that the delinquency became a default under the terms of the loan documents.

2950. Defendants achieved this by asking each Plaintiff applying for a loan modification to submit the proper application and paperwork. Once a Plaintiff submitted all documents as requested, the Defendants then claimed to have “lost” the Plaintiff’s application package, necessitating the re-submission of such documents by each Plaintiff hoping to qualify for a loan modification.

2951. During this process, Defendants would collect and convert the maximum amount of money from Plaintiffs in sums according to proof.

2952. This process of “losing the paperwork” and requiring re-submission thereof necessarily ensured that a Plaintiff’s one or two-month “delinquency” automatically became a “default,” and an event requiring significant payments to Defendants to cure said “default,” all of which constituted misappropriation and conversion of funds under law.

2953. These Defendants regularly dragged out this process for months and months when dealing with Plaintiffs in need of loan modifications. They did so by claiming over and over again to have “lost” the paperwork of the borrower involved.

2954. Each Plaintiff was directly and proximately harmed by Defendants’ fraudulent concealment of facts described herein.

2955. Plaintiffs have incurred additional costs and charges and late fees as a result of being told that they needed to be delinquent in their loans in order to obtain a loan modification.

2956. Plaintiffs have gone into default and even lost their homes through foreclosure as the result of the same fraudulent concealment by Defendants.

2957. Further, Plaintiffs have had their credit profiles destroyed by allowing their loans to go into default as instructed by Defendants.

2958. Accordingly, each Plaintiff is entitled to general and special damages according to proof at trial.

2959. Further, the Defendants acted outrageously and persistently with actual malice in suppressing the facts and circumstances set forth, and they continue to do so.

Accordingly, the Plaintiffs are entitled to exemplary and punitive damages in a sum according to proof.

2960. The Defendants willfully committed the wrongdoing against each Plaintiff as described herein and knowingly chose to deceive him in the above-described manner. Thus, the acts of the Defendants were malicious and performed with a callous disregard for Plaintiffs' legal rights. Plaintiffs are therefore entitled to punitive damages. Plaintiffs are further entitled to attorney fees under whatever contract or statute applies.

2961. Inclusive of all compensatory damages, special damages, attorney fees and punitive damages alleged herein, no Plaintiff has sustained damage in a sum greater than \$75,000.00.

SIXTH CLAIM FOR RELIEF

Fraudulent Concealment

(By Plaintiffs 1-310 and 838 against all Defendants; and by Plaintiffs 311-352, 354-673 against all Defendants except 1-4; and by Plaintiff 353 against all Defendants except 1-6; and by Plaintiffs 674-732, 734-803 against all Defendants except 5, 6; and by Plaintiffs 733 against all Defendants except 1-6; and by Plaintiffs 804-837 against all Defendants except 16, 17)

2962. All of the above Paragraphs of this Complaint are hereby incorporated by reference as though fully set forth herein.

2963. As set forth in the Fifth Cause of Action, the Defendants used fraud and artifice to lure borrowers into defaulting upon their mortgages by promising them loan modifications when they had no intention of providing such loan modifications.

2964. Once the Defendants lured a borrower into default, then the Defendants collected upon "credit default swaps" ("CDS's").

2965. CDS's were and are used to insure mortgage-backed securities, and investor trading in these two instruments was the central cause of the mortgage meltdown that occurred in this country.

2966. A CDS is a form of insurance that is actually a bet *against* the subject loan being paid on time as agreed. CDS's ensure that Defendants can collect on every loan that goes bad by going into default.

2967. If a borrower defaulted upon a mortgage that was pooled into an MBS, the buyer of the CDS makes a series of payments (the CDS "fee" or "spread") to the seller and, in exchange, receives a payoff if the loan defaults. Thus, the original lender was paid when it sold the promissory note executed by the borrower, and the MBS pool was also paid in full by virtue of the CDS payments received.

2968. This, then, constitutes the number one reason that the Defendants wanted each Plaintiff to actually default on his or her loan: The Defendants bet against each Plaintiff by buying CDS's on every loan they allegedly service, and then trying to get that loan into default so that the Defendants can collect on this "side bet."

2969. The fact that the Defendants were motivated to see that each Plaintiff failed to pay their mortgages on time and thus ended up in default so that the Defendants could collect on their CDS side bet has been hidden and suppressed from Plaintiffs by the Defendants.

2970. The suppressed facts and circumstances described herein should have been disclosed to the Plaintiffs by the Defendants because such facts and circumstances were material in that they were essential to the analysis that should and could have been undertaken by each Plaintiff in determining whether to enter into a loan

transaction with the Defendants, and would likely have caused each Plaintiff to act differently than he did while not knowing the facts hidden from him by Defendants.

2971. These suppressed facts and circumstances were known to the Defendants at the time they were hidden from Plaintiffs.

2972. Further, the Defendants knew at the time of suppression and concealment that such suppression and concealment would cause each Plaintiff to act in a way that was injurious to him while at the same time being profitable to the Defendants.

2973. When suppressing and concealing from these Plaintiffs the facts and circumstances herein described, the Defendants intended to induce each Plaintiff to alter his position to his harm.

2974. Each Plaintiff justifiably and reasonably relied on the fraudulent concealment created by Defendants in their suppression of the facts and circumstances described in this Cause of Action.

2975. Defendants' receipt of money from CDS's coupled with their later receipt of money from Plaintiffs means that the Defendants have received a windfall in the form of gaining either ownership of the real property of borrowers, or the value of that real property, and is malicious, outrageous, and entitles Plaintiffs to recover exemplary and punitive damages in a sum according to proof.

2976. The Defendants knowingly and willfully committed the wrongdoing against each Plaintiff as described herein and knowingly chose to deceive him in the above-described manner. Thus, the acts of the Defendants were malicious and performed with a callous disregard for Plaintiffs' legal rights. Plaintiffs are therefore entitled to punitive damages. Plaintiffs are further entitled to attorney fees.

2977. Inclusive of all compensatory damages, special damages, attorney fees and punitive damages alleged herein, no Plaintiff has sustained damage in a sum greater than \$75,000.00.

SEVENTH CLAIM FOR RELIEF

Promissory Estoppel

(By Plaintiffs 1-310 and 838 against all Defendants; and by Plaintiffs 311-352, 354-673 against all Defendants except 1-4; and by Plaintiff 353 against all Defendants except 1-6; and by Plaintiffs 674-732, 734-803 against all Defendants except 5, 6; and by Plaintiffs 733 against all Defendants except 1-6; and by Plaintiffs 804-837 against all Defendants except 16, 17)

2978. All of the above Paragraphs of this Complaint are hereby incorporated by reference as though fully set forth herein.

2979. Each Plaintiff herein attempted to take steps to save his or her house once it became apparent that Defendants intended to foreclose against them. Some Plaintiffs considered filing bankruptcy as a valid and viable means to save their homes. Other Plaintiffs investigated other possible ways to avoid losing possession of their homes due to Defendants' wrongful tactics as set forth above.

2980. In each instance, Defendants promised to Plaintiffs that there was no need to file bankruptcy or pursue other ways to avoid foreclosure because Defendants would forego the foreclosure process and would instead "work with" each Plaintiff to modify the terms of the home loan in question, thereby making it possible for each Plaintiff to make the necessary monthly payments.

2981. In reliance on the promises made by Defendants not to foreclose and to instead "work with" each Plaintiff, each Plaintiff reasonably decided not to file for

bankruptcy or to investigate other possible scenarios to stave off impending foreclosure.

2982. Instead of cooperating with each Plaintiff and working with them to modify each loan at issue, Defendants instead have proceeded with various levels of conversion and/or foreclosure proceedings against each Plaintiff herein.

2983. In reasonable reliance on Defendants' promises not to foreclose, each Plaintiff has suffered direct and proximate damages as a result of Defendants' bad-faith breach of promises not to exceed \$75,000.00. Each Plaintiff is therefore entitled to compensatory damages according to proof within these limitations, in order to make him or her whole.

EIGHTH CLAIM FOR RELIEF

Negligent Misrepresentation

(By Plaintiffs 1-310 and 838 against all Defendants; and by Plaintiffs 311-352, 354-673 against all Defendants except 1-4; and by Plaintiff 353 against all Defendants except 1-6; and by Plaintiffs 674-732, 734-803 against all Defendants except 5, 6; and by Plaintiffs 733 against all Defendants except 1-6; and by Plaintiffs 804-837 against all Defendants except 16, 17)

2984. All of the above Paragraphs of this Complaint are hereby incorporated by reference as though fully set forth herein.

2985. Because the Plaintiffs relied upon the Defendants to guide them through the process of making and later servicing their home mortgage loans, a special relationship exists between the Plaintiffs and the Defendants.

2986. The existence of that special relationship imposed upon the Defendants a duty to fully and accurately disclose all pertinent information pertaining to those home loans to the Plaintiffs, including, but not limited to, true and correct information pertaining

to the securitization of their notes, the existence of CDS, and the fact that the Defendant lenders had no legal right to foreclose upon their mortgages once the promissory notes became the basis for MBS pools.

2987. Defendants failed to disclose this material information to the Defendants, or omitted critical elements from the disclosures that were made.

2988. The Plaintiffs reasonably relied upon the material misrepresentations of the Defendants to their detriment in choosing to proceed with their mortgage loan transactions.

2989. As a consequence of the negligent misrepresentations made by the Defendant to the Plaintiffs, no Plaintiff herein has suffered damages greater than \$75,000.00.

2990. Plaintiffs allege that each of the wrongful acts or omissions described in this Cause of Action was either performed by each Defendant herein, named or unnamed, or ratified and adopted by each Defendant after its occurrence. Further, those Defendants that did not actively perform the acts or omissions described here did affirmatively aid and abet the other Defendants in the performance of such acts or omissions, before, during or after the fact.

2991. Finally, each Defendant herein, named or unnamed, did knowingly derive some form of profit or benefit from the acts and omissions described herein. All Defendants agreed to work together in the conspiracy and/or joint enterprise described in this paragraph as that conspiracy is alleged above. Accordingly, each Defendant, named or unnamed, should be held liable for the acts and omissions complained of.

NINTH CLAIM FOR RELIEF

Breach of the Covenant of Good Faith and Fair Dealing

(By Plaintiffs 1-310 and 838 against all Defendants; and by Plaintiffs 311-352, 354-673 against all Defendants except 1-4; and by Plaintiff 353 against all Defendants except 1-6; and by Plaintiffs 674-732, 734-803 against all Defendants except 5, 6; and by Plaintiffs 733 against all Defendants except 1-6; and by Plaintiffs 804-837 against all Defendants except 16, 17)

2992. All of the above Paragraphs of this Complaint are hereby incorporated by reference as though fully set forth herein.

2993. In each and every mortgage note signed by the Plaintiffs, and in each and every mortgage instrument signed by the Plaintiffs in favor of the Defendants, is implied a covenant of good faith and fair dealing between the parties.

2994. The implied obligation encompasses any promises which a reasonable person in Plaintiffs' position would be justified in understanding was included in the parties' agreement.

2995. The Defendants have breached that covenant of good faith and fair dealing by intentionally and/or negligently misrepresenting or omitting to disclose material facts that would have been pertinent to those Plaintiffs' decisions to enter into transactions with the Defendants.

2996. As a consequence of the breaches of the covenant of good faith and fair dealing by the Defendants, the Plaintiffs have been deprived of the right to receive the benefits under those loan agreements, to-wit: they have been stripped of the value and equity in their homes as a consequence.

2997. Inclusive of all recoverable damages and restitution and costs and attorney fees, each Plaintiff has sustained damage and restitution in the sum of no more than \$75,000.00.

2998. Plaintiffs allege that each of the wrongful acts or omissions described in this Cause of Action was either performed by each Defendant herein, named or unnamed, or ratified and adopted by each Defendant after its occurrence. Further, those Defendants that did not actively perform the acts or omissions described here did affirmatively aid and abet the other Defendants in the performance of such acts or omissions, before, during or after the fact.

2999. Finally, each Defendant herein, named or unnamed, did knowingly derive some form of profit or benefit from the acts and omissions described herein. All Defendants agreed to work together in the conspiracy and/or joint enterprise described in this paragraph in the manner set forth herein. Accordingly, each Defendant, named or unnamed, should be held liable for the acts and omissions complained of.

TENTH CLAIM FOR RELIEF

Unjust Enrichment

(By Plaintiffs 1-310 and 838 against all Defendants; and by Plaintiffs 311-352, 354-673 against all Defendants except 1-4; and by Plaintiff 353 against all Defendants except 1-6; and by Plaintiffs 674-732, 734-803 against all Defendants except 5, 6; and by Plaintiffs 733 against all Defendants except 1-6; and by Plaintiffs 804-837 against all Defendants except 16, 17)

3000. All of the above Paragraphs of this Complaint are hereby incorporated by reference as though fully set forth herein.

3001. Through their conduct as described herein, all Defendants herein were unjustly enriched at the expense of each Plaintiff and by taking his or her money under false pretenses and by ultimately foreclosing or attempting to foreclose upon the homes of the Plaintiffs without legal authority to do so.

3002. To permit the Defendants to retain their unjust gains would be against equity and good conscience, and would ratify the illegal actions taken by the Defendant to the detriment of the Plaintiffs.

3003. Here, in order to avoid the unjust enrichment of the Defendants, each Defendant should be ordered to pay back to each Plaintiff any and all monies unjustly received from him or her. All inclusive, no Plaintiff herein has suffered damages greater than \$75,000.00.

3004. Plaintiffs allege that each of the wrongful acts or omissions described above was performed by each Defendant herein, named or unnamed, or was ratified and adopted by each Defendant after its occurrence. Further, those Defendants that did not actively perform the acts or omissions described here did affirmatively aid and abet the other Defendants in the performance of such acts of omissions, before, during or after the fact.

3005. Finally, each Defendant herein, named or unnamed, did knowingly derive some form of profit or benefit from the acts and omissions described herein. All Defendants agreed to work together in the conspiracy and/or joint enterprise described in this paragraph in the manner set forth above. Accordingly, each Defendant, named or unnamed, should be held liable for the acts and omissions complained of.

ELEVENTH CLAIM FOR RELIEF

Violations of N.Y. Gen. Bus. Law §349

(By Plaintiffs 1-310 against all Defendants; and by Plaintiffs 311-352, 354-673 against all Defendants except 1-4; and by Plaintiff 353 against all Defendants except 1-6; and by Plaintiffs 674-732, 734-803 against all Defendants except 5, 6; and by Plaintiffs 733 against all Defendants except 1-6; and by Plaintiffs 804-837 against all Defendants except 16, 17;

and by Plaintiff 838 against all Defendants except 5)

3006. The allegations in the foregoing paragraphs are repeated and realleged as if fully set forth herein.

3007. Defendants, and each of them, have operated and continue to operate the largest Ponzi scheme in world history with a plan that – at its inception – was intended to, did in fact and continues to the present day to have as its object the theft and conversion of billions of dollars from millions of homeowners, including Plaintiffs.

3008. Defendants' wrongful acts include (but are not limited to) the following: (i) claiming to be servicer of the subject notes at issue herein and demanding monthly loan payments therefor, when in fact no Defendant had or has any legal claim to the monies paid to it by Plaintiffs; (ii) taking loan payments every month from each Plaintiff without crediting any portion of that money to the benefit of any Plaintiff; (iii) promising loan modifications to Plaintiffs while never being an authorized legal representative of any person in a position to actually modify Plaintiffs' loans; (iv) inducing Plaintiffs to default on their loans so that Defendants could profit from the credit default swaps they had purchased, betting that such loans would not be paid as agreed; (v) creating false reasons for charging fees to Plaintiffs based upon nonexistent monies owed, then instituting foreclosure proceedings against Plaintiffs when such fees went unpaid; (vi) issuing wrongful Notices of Default to Plaintiffs; (vii) by refusing to respond, in any way, to Plaintiffs' communications or to communications made for Plaintiffs by their private and public representatives; (viii) converting Plaintiffs' monies as alleged in great detail below, (ix) secreting such acts

of conversion through the massive international network used by defendants to support their Ponzi scheme in violation of law.

3009. The illegal and improper acts of the Defendants have continued, including, *inter alia*: (i) engaging in the practice of “robo-signing,” whereby the lenders used people who had no personal knowledge to sign fraudulent and perjured affidavits that indicated that they had personal knowledge of those matters in an effort to deprive homeowners of their property without due process of law; (ii) refusing to modify loans; and (iii) refusing to entertain short sale opportunities, all with the intention to (a) buy time to further conceal previous conversions and/or (b) convert additional monies from the Plaintiffs in a sum according to proof.

3010. Many of the Plaintiffs were told not to make mortgage payments and/or to sign letters authored by agents of Defendants, exacerbating a desperate financial situation that was either untrue or inflated at Defendants’ insistence.

3011. The acts of Defendants constitute deceptive acts and practices in the conduct of Defendants’ business, trade and commerce under New York State’s General Business Law § 349 (“GBL § 349”), and willfully and knowingly violated this section.

3012. The deceptive acts and practices of the Defendants have had and continue to have a broader impact on consumers at large.

3013. The Plaintiffs relied to their detriment on the deceptive acts and practices of the Defendants.

3014. Pursuant to GBL § 349, Plaintiffs are entitled to an award of reasonable attorney's fees in their favor against Defendants.

3015. Pursuant to GBL § 349, each Plaintiff, individually, is entitled to the statutory maximum in damages.

TWELFTH CLAIM FOR RELIEF

Civil Racketeering – 18 U.S.C. §1962[c]

By All Plaintiffs Against All Defendants

3016. The allegations in the foregoing paragraphs are repeated and realleged as if fully set forth herein.

3017. At all times relevant to this verified First Amended Complaint, and at all times material hereto, all Defendants were “persons” as defined by 18 U.S.C. §1961[3].

3018. At all times relevant to this verified First Amended Complaint, and at all times material hereto, all Defendants as alleged herein engaged in the operation or management of the Bankster Enterprise, which is an “enterprise” as defined by 18 U.S.C. §1961[4], the activities of which affect interstate commerce including commerce in the State of New York.

3019. The Bankster Enterprise: [i] is an ongoing association-in-fact, with decision-making framework or mechanism for controlling the association; [ii] has associated members with a common purpose that function as a continuing unit; [iii] is separate and apart from the racketeering activity.

3020. The conduct of the members of the Bankster enterprise, as it relates to the illegal scheme, is for the most part directed by the syndicates referenced in detail in the body of this first amended complaint.

3021. This is the structure of the Bankster enterprise as it relates to the “money-in” component of the illegal scheme, as also set forth in body of this complaint.

3022. The Defendants – particularly the loan pools operating under the direction of the Geitner Group -- orchestrated the siphoning of the stolen money in direct consultation and association with terrorists, drug cartels, unsourced money entities, and United States Treasury.

3023. All Defendants as members of the Bankster Enterprise are participants in the illegal scheme in different capacities, functions and roles calculated to enrich and expand the Bankster Enterprise so that it could continue to perpetuate the “money-in” and “money-out” components.

3024. The Bankster Enterprise governance occurred through frequent communications among its members by means of interstate and international wire communications via telephone, facsimile, Email, encrypted White House-based and encrypted United States Treasury-based and encrypted United States-Fed-based communications, in interstate and foreign commerce in addition to travel to and from New York and internationally.

3025. The predicate acts form “a pattern of racketeering activity” and are all part of a common criminal plan to perpetuate the illegal scheme and enrich the Bankster enterprise through the Defendants’ criminal and fraudulent conduct.

3026. The illegal scam began in January, 2009, and is continuing through and including the current date.

3027. The Defendants have concealed the stolen property and other criminally derived proceeds of the illegal scheme since the dates upon which (a) the banking solvency requirement legally implemented by United States of America on October 19, 1934, had been broken and (b) the TARP program crossed the line of illegality and began

being utilized for personal profit during the first quarter of 2009. This concealment has continued unabated and in the face of reports by the FDIC, the Comptroller of the Currency, the Office the Thrift and the United States Department of Homeland Security and the Report of the Inspector General of the TARP program, in the only manner in which such concealment could continue in the face of contrary reports by the government: Through lies told directly from the mouths of the Defendants and the President of the United States (including on October 3, 2012 during a Presidential Debate). (Hereinafter “The Big Lie.”) The Big Lie is the cornerstone of the entire Bankster enterprise and has been repeated by the Obama media in order to misrepresent the true facts to the citizens of the United States and their elected representatives.

3028. All of the predicate acts relate to one another because they represent a common scheme to further the illegal scheme and thus enrich the Defendants and their Bankster enterprise.

3029. The predicate acts progressed in a logical fashion as the illegal scheme expanded from its core in New York, New York, as it fed off monies advanced to it by drug cartels, terrorists, Plaintiffs, American citizens and ultimately the Defendants raid of the fed through bailouts, TARP programs and midnight money printing exercises at the Fed with all Defendants herein assuring that the official Obama administration would have plausible deniability.

3030. Each transfer during this nearly 5-year period constitutes repeated and related predicate acts of . . . [i] money laundering in violation of 18 U.S.C. §1956; [ii] engaging in monetary transactions in property derived from specific unlawful activity

in violation of 18 U.S.C. §1957; [iii] wire fraud in violation of 18 U.S.C. §1343; [iv] financial institution fraud in violation of 18 U.S.C. §1344; [v] mail fraud in violation of 18 U.S.C. §1341; and/or [vi] interstate or international travel in violation of the travel act, 18 U.S.C. §1952.

3031. The ponzi/RICO scheme would not have continued absent the influx of more than \$43 trillion (\$43,000,000,000,000.00) provided by the Defendants' illegal schemes involving the Fed as set forth in detail above, as well as their money laundering and drug cartel influxes of money also alleged above. The effect of the collapse of the foregoing money laundering and racketeering schemes, is a matter of public record and a fact of which this court can take judicial notice including the recent Senate Report on the money laundering and drug cartel activities of HSBC and resulting admission by Defendant Holder in his official capacity that such unlawfully money laundering activities has spread to all banking institutions in the United States, including at least 1,500 Defendants in this case (e.g., Citigroup, Bank of America and their offshore haven defendants).

3032. Defendants used and exploited U.S. Financial institutions, lawyers and accountants in New York, as well as interstate and international telephone, facsimile, Email, wire transfer and encrypted White House and Fed communications from no later than 2009 until the present.

3033. The activities of the Bankster enterprise directly affected U.S. interstate and foreign commerce through the illegal scheme.

3034. As a direct and proximate result of the violations set forth above, Plaintiffs (including, but not limited to, involuntary plaintiffs) have been injured in their

business, property and in their homes and such injury is continuing. The Defendants' violations of 18 U.S.C. §1962[c] are the proximate cause of these losses. Under the provisions of 18 U.S.C. §1964[c], Plaintiffs are entitled to bring this action and recover herein treble damages, the cost of bringing this suit, prejudgment interest, and recoverable attorneys' fees. Plaintiffs are also entitled to the appointment of a receiver to recover the \$43 trillion (\$43,000,000,000,000.00) and the fruits of the frauds, parallel injunctive relief and an order that the Defendants and their transferees (wherever located) disgorge and forfeit all of such monies and the fruits of their fraud.

3035. Plaintiffs seek further an order halting the foreclosure of all real estate in the United States of America by any of the Defendants, until the full restitution and disgorgement has occurred in favor of Plaintiffs and against the Banksters, which includes injunctions on any post-foreclosure activities throughout the country as well, all of which shall stop all foreclosure activity of any kind in States such as California, Florida, Ohio, Nevada, Colorado, New Hampshire, New York, Iowa, Wisconsin, Michigan and all other states in which the Banksters have continued their "reverse-run-on-the-bank."

3036. Plaintiffs seek further an emergency Temporary Restraining Order to take effect immediately, and even *sua sponte* in the event this Court is so-inclined.

THIRTEENTH CLAIM FOR RELIEF

CIVIL RACKETEERING – 18 U.S.C. Sec. 1962(d)

By All Plaintiffs Against All Defendants

3037. The allegations in the foregoing paragraphs are repeated and realleged as if fully set forth herein

3038. The Defendants entered into a series of agreements between and among each other to engage in a conspiracy to violate 18 U.S.C. Sec. 1962(c). Each Defendant entered into at least one agreement with at least one other Defendant to join the conspiracy, took acts in the furtherance of the conspiracy and knowingly participated in the conspiracy.

3039. The Defendants agreed and conspired to violate 18 U.S.C. 1962(c) by participating, directly or indirectly, in the conduct of the affairs of the Banksters Enterprise through a pattern of racketeering activity, including an agreement that the conspirators, or one of them, would commit or cause the commission of two or more racketeering acts constituting such a pattern.

3040. By engaging in the overt acts and other conduct alleged herein, Defendants have agreed to conspire and did so conspire in violation of 18 U.S.C. 1962(d) to engage in illegal predicate acts that formed a pattern of racketeering activity as defined by 18 U.S.C. 1961(5) and otherwise agreed to violate 18 U.S.C. 1962(c).

3041. Each Defendant is a member of the Bankster Enterprise and hence each conspired to perpetrate the illegal scheme. As co-conspirators, the Defendants are liable for all of the actions committed by all of the co-conspirators within the conspiracy and are liable for all the damages sustained by the Plaintiffs that were caused by any members of the conspiracy, regardless of whether the Defendants were themselves directly involved in a particular aspect of the Banksters Enterprise.

3042. As a direct and proximate result of the violations set forth above, the Plaintiffs have been injured in their business, property, and home. The Defendants' violations of 18 U.S.C. 1962(d) are the proximate cause of these losses. Under the provisions of 18 U.S.C. 1964(c), Plaintiffs are entitled to bring this action and recover herein treble damages, the cost of bringing this suit, prejudgment interest, and recoverable attorney fees.

FOURTEENTH CLAIM FOR RELIEF

CIVIL RACKETEERING - 18 U.S.C. 1962(c), 1503

By All Plaintiffs Against Defendants Joseph Lawrence Dunn, Dannielle A. Lee, Thomas Layton, Kamala Harris, Maya West, Tony West, Peter Krause, Joseph Crudo, Jr., Joseph Crudo, Sr., Michael Brosnan, Bank of America, and Citigroup.

3043. The allegations in the foregoing paragraphs are repeated and realleged as if fully set forth herein.

3044. At all times relevant to this verified First Amended Complaint, and at all times material hereto, all Defendants were "persons" as defined by 18 U.S.C. §1961[3].

3045. At all times relevant to this verified First Amended Complaint, and at all times material hereto, all Defendants as alleged herein engaged in the operation or management of the Bankster Enterprise, which is an "enterprise" as defined by 18 U.S.C. §1961[4], the activities of which affect interstate commerce including commerce in the State of New York.

3046. The Bankster Enterprise: [i] is an ongoing association-in-fact, with decision-making framework or mechanism for controlling the association; [ii] has associated members with a common purpose that function as a continuing unit; [iii] is separate and apart from the racketeering activity.

3047. The conduct of the members of the Bankster enterprise, as it relates to the illegal scheme, is for the most part directed by the syndicates referenced in detail in the body of this first amended complaint.

3048. This is the structure of the Bankster enterprise as it relates to the “money-in” component of the illegal scheme, as also set forth in Section BLANK.

3049. BLANK orchestrated the siphoning of the stolen money in direct consultation and association with terrorists, drug cartels, unsourced money entities, and United States Treasury.

3050. All Defendants as members of the Bankster Enterprise are participants in the illegal scheme in different capacities, functions and roles calculated to enrich and expand the Bankster Enterprise so that it could continue to perpetuate the “money-in” and “money-out” components.

3051. The Bankster Enterprise governance occurred through frequent communications among its members by means of interstate and international wire communications via telephone, facsimile, Email, encrypted White House-based and encrypted United States Treasury-based and encrypted United States-Fed-based communications, in interstate and foreign commerce in addition to travel to and from New York and internationally.

3052. The predicate acts form “a pattern of racketeering activity” and are all part of a common criminal plan to perpetuate the illegal scheme and enrich the Bankster enterprise through the Defendants’ criminal and fraudulent conduct.

3053. The illegal scam began in January, 2009, and is continuing through and including the current date.

3054. The Defendants have concealed the stolen property and other criminally derived proceeds of the illegal scheme since the dates upon which (a) the banking solvency requirement legally implemented by United States of America on October 19, 1934, had been broken and (b) the TARP program crossed the line of illegality and began being utilized for personal profit during the first quarter of 2009. This concealment has continued unabated and in the face of reports by the FDIC, the Comptroller of the Currency, the Office the Thrift and the United States Department of Homeland Security and the Report of the Inspector General of the TARP program, in the only manner in which such concealment could continue in the face of contrary reports by the government: Through lies told directly from the mouths of the Defendants and the President of the United States (including on October 3, 2012 during a Presidential Debate). (Hereinafter “The Big Lie.”) The Big Lie is the cornerstone of the entire Bankster enterprise and has been repeated by the Obama media in order to misrepresent the true facts to the citizens of the United States and their elected representatives.

3055. As American citizens have become knowledgeable of the foregoing scheme, the Defendants – and each of them – have engaged in obstruction of justice, extrinsic fraud, suborning perjury, witness tampering, violations of State and Federal law, other acts chronicled as wrongful by the Office of the Inspector General of the Securities and Exchange Commission, intentional theft, destruction and misuse of American-made revolutionary technology in order to cover-up the conspiracy and without regard to the jobs, billions of dollars of Treasury money and financial benefits they were giving up.

3056. All of the predicate acts relate to one another because they represent a common scheme to further the illegal scheme and thus enrich the Defendants and their Bankster enterprise.

3057. The predicate acts progressed in a logical fashion as the illegal scheme expanded from its core in New York, New York, as it fed off monies advanced to it by drug cartels, terrorists, Plaintiffs, American citizens and ultimately the Defendants raid of the fed through bailouts, TARP programs and midnight money printing exercises at the Fed with all Defendants herein assuring that the official Obama administration would have plausible deniability through utilization of the foregoing fraudulent techniques often used by persons in power to corruptly stop enemies from exposing the truth.

3058. Each act of obstruction of justice and witness tampering set forth above was coupled with unlawful searches and seizures, and an invasion of the attorney client privilege, so that the obstruction of justice could be effectuated. To the extent money was needed to “persuade” a third party to engage in this misconduct, it was paid for by one of the Syndicates set forth in the body of this complaint as a “cost of doing business:” to wit, Obstruction of Justice and Fabrication of Evidence. These acts, including use of fraudulently conveyed and transferred money constitutes repeated and related predicate acts of . . . [i] money laundering in violation of 18 U.S.C. §1956; [ii] engaging in monetary transactions in property derived from specific unlawful activity in violation of 18 U.S.C. §1957; [iii] wire fraud in violation of 18 U.S.C. §1343; [iv] financial institution fraud in violation of 18 U.S.C. §1344; [v] mail fraud in violation of 18 U.S.C. §1341; and/or [vi] interstate or international travel in

violation of the travel act, 18 U.S.C. §1952. The fact that the objects of the fraud for purposes of this claim for relief were Obstruction of Justice is of no moment and only worsens and increases liability to the Defendants. These facts create additional liability of 18 U.S.C. §1503

3059. The ponzi/RICO scheme would not have continued absent the influx of more than \$43 trillion (\$43,000,000,000,000.00) provided by the Defendants' illegal schemes involving the Fed as set forth in detail above, as well as their money laundering and drug cartel influxes of money also alleged above. The effect of the collapse of the foregoing money laundering and racketeering schemes, is a matter of public record and a fact of which this court can take judicial notice including the recent Senate Report on the money laundering and drug cartel activities of HSBC and resulting admission by Defendant Holder in his official capacity that such unlawfully money laundering activities has spread to all banking institutions in the United States, including at least 1,500 Defendants in this case (e.g., Citigroup, Bank of America and their offshore haven defendants).

3060. Defendants used and exploited U.S. Financial institutions, lawyers and accountants in New York, as well as interstate and international telephone, facsimile, Email, wire transfer and encrypted White House and Fed communications from no later than 2009 until the present.

3061. The activities of the Bankster enterprise directly affected U.S. interstate and foreign commerce through the illegal scheme and obstruction.

3062. As a direct and proximate result of the violations set forth above, Plaintiffs (including, but not limited to, involuntary plaintiffs) have been injured in their

business, property and in their homes and such injury is continuing. The Defendants' violations of 18 U.S.C. §1962[c] and 1503 are the proximate cause of these losses. Under the provisions of 18 U.S.C. §1964[c], Plaintiffs are entitled to bring this action and recover herein treble damages, the cost of bringing this suit, prejudgment interest, and recoverable attorneys' fees. Plaintiffs are also entitled to the appointment of a receiver to recover the \$43 trillion (\$43,000,000,000,000.00) and the fruits of the frauds, parallel injunctive relief and an order that the Defendants and their transferees (wherever located) disgorge and forfeit all of such monies and the fruits of their fraud.

3063. Plaintiffs seek further an order halting the foreclosure of all real estate in the United States of America by any of the Defendants, until the full restitution and disgorgement has occurred in favor of Plaintiffs and against the Banksters, which includes injunctions on any post-foreclosure activities throughout the country as well, all of which shall stop all foreclosure activity of any kind in States such as California, Florida, Ohio, Nevada, Colorado, New Hampshire, New York, Iowa, Wisconsin, Michigan and all other states in which the Banksters have continued their "reverse-run-on-the-bank."

3064. Plaintiffs seek further an emergency Temporary Restraining Order to take effect immediately, and even *sua sponte* in the event this Court is so-inclined.

FIFTEENTH CLAIM FOR RELIEF – DECLARATORY RELIEF

CONSTITUTIONALITY -- THAT DODD-FRANK LEGISLATION AND ITS APPLICATION IS VIOLATIVE OF THE FOURTEENTH AMENDMENT TO THE UNITED STATES CONSTITUTION AS APPLYING LAWS UNEQUALLY AND EXCLUDING FROM ITS AMBIT BANKS "TOO BIG TO FAIL" AS SUCH BANKS ARE PROTECTED BY THE DODD-FRANK LEGISLATION

3065. The allegations in the foregoing paragraphs are repeated and realleged as if fully set forth herein.]

3066. The Dodd-Frank Legislation purports to prohibit the protection of companies deemed too big to fail.

3067. In fact, the Dodd-Frank Legislation was passed pursuant to the foregoing RICO enterprise to protect – not prevent – entities deemed too big to fail.

3068. The application of the Dodd-Frank Legislation represents an intentional fraud by all Defendants herein, against all Plaintiffs, the American people and involuntary plaintiffs the United States of America and State of New York by perpetuating the ponzi and RICO money laundering schemes set forth above.

3069. Accordingly, the Dodd-Frank Legislation is either unconstitutional on its face, or is unconstitutional as it has been applied.

3070. This Court should enjoin any further activity under the Dodd-Frank Legislation, until the Court-Appointed-Receiver requested herein has issued appropriate reports to this Court on same.
